

## A Message from our Principal – Ms Ann Rebgetz

Thank you for your enquiry in relation to an International Student Placement at St Columban's College.

St Columban's is a Co-educational, Catholic Secondary College that has a rich tradition, dynamic and inclusive spirit, and a strong sense of community. The College, as an Edmund Rice Associate School, embraces across its curriculum, the four touchstones of Liberating Education, Gospel Spirituality, Inclusive Community and Justice and Solidarity.

St Columban's College has an array of academic programs designed engage our students, and assist them in finding and developing their strengths. We have outstanding results in Vocational Education Training (VET), and have consistently been nominated as finalists for the Australian Training Awards. Our vast amount of pathways encourages all students to complete year 12, and these pathways have in turn facilitated a very high tertiary offer rate for College graduates.

The College also offers an outstanding extra-curricular program which includes, but is not limited to, participation in TAS (The Associated Schools) Sport – a premier sporting competition within the Brisbane region, an Academy of Music Excellence, and a Mentor Academy Program which seeks to support students who go on to represent the College, Region, State or Nation in their chosen field of excellence. These programs compliment the student's education to reinforce the strong sense of community that is at the heart of St Columban's College.

St Columban's also provides a great deal of resources towards enhancing our student learning and promoting their wellbeing. We have a vertical Pastoral Care structure, which ensures that students face less disruption across their time at the College.

I welcome you to explore our website to see how St Columban's College can offer your student an all-round education in an inclusive community. If you have any further queries, please do not hesitate to contact the Enrolments Officer, Ms Evie Teasdale, at [enrolments@stc.qld.edu.au](mailto:enrolments@stc.qld.edu.au) or by calling +61 7 5495 3111.

Yours Sincerely,

Ann Rebgetz  
Principal, St Columban's College
