

College Assessment Policy

St Columban's College

Scope

This policy provides information for teachers, students and parents/carers about roles, responsibilities, processes and procedures to ensure the integrity of assessment. The framework for the policy is developed from the QCAA P-10 Curriculum documents and the *QCE and QCIA policy and procedures handbook* available from www.qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook-2019 and applies to all students in Years 7 – 12 at the College.

Purpose

St Columban's College is committed to an educational philosophy that encourages all students to achieve personal excellence by developing their talents and abilities. This policy is designed to build capacity as students work towards summative assessment completion in all courses of study.

Principles

St Columban's College expectations for teaching, learning and assessment are grounded in the principles of academic integrity and excellence.

Assessment includes any examination, practical demonstration, performance or product that allows students to demonstrate the objectives as described by the syllabus. Assessment should be:

- aligned with curriculum and pedagogy
- equitable for all students
- evidence-based, using established standards and continua to make defensible and comparable judgments about students' learning
- ongoing, with a range and balance of evidence compiled over time to reflect the depth and breadth of students' learning
- transparent, to enhance professional and public confidence in the processes used, the information obtained and the decisions made
- informative of where students are in their learning.

High-quality assessment is characterised by three attributes:

- validity, through alignment with what is taught, learnt and assessed
- accessibility, so that each student is given opportunities to demonstrate what they know and can do
- reliability, so that assessment results are consistent, dependable or repeatable.

Promoting academic integrity

St Columban's College promotes academic integrity by developing students' skills and modelling appropriate academic practices. The following whole-school procedures support this endeavour.

QCE and QCIA policy and procedures handbook	Policy and procedures
Location and communication of policy	<p>The school assessment policy is located on the College website and in the College prospectus. All questions regarding this policy should be directed to your child's Pastoral Care or subject Teacher.</p> <p>To ensure the assessment policy is consistently applied, it will be revisited at the beginning of each semester. Relevant processes may be revisited:</p> <ul style="list-style-type: none"> • at enrolment interviews • during SET planning • when the assessment schedule is published • when each task is handed to students • in the newsletter and by email in response to phases of the assessment cycle.
Expectations about engaging in learning and assessment Section 1.2.4 Section 2 Section 8.5.1	<p>St Columban's College has high expectations for academic integrity and student participation and engagement in learning and assessment. All students across Years 7 – 12 are required to complete all course and assessment requirements on or before the due date for their results to contribute credit to their subject result. In the Senior phase of learning, students become eligible for a QCE when they have accrued the set amount of learning, at the set standard, in a set pattern, while meeting literacy and numeracy requirements.</p> <p>Student responsibility Students are expected to:</p> <ul style="list-style-type: none"> • engage in the learning for the subject or course of study • produce evidence of achievement that is authenticated as their own work • submit responses to scheduled assessment on or before the due date. <p>For senior phase students, the completion of the QCAA academic integrity courses will be a compulsory part of the curriculum, to ensure that all students in the senior phase understand the importance of academic integrity and excellence. Discussion of academic integrity will also form part of the Year 7 – 10 curriculum.</p>
Due dates Section 8.5.2 Section 8.5.3	<p>School responsibility St Columban's College is required to adhere to QCAA policies for gathering evidence of student achievement on or before the due date.</p> <p>Due dates for final responses, checkpoints and drafts will be published in the assessment schedule. All students will be provided with their assessment schedule via the Student Portal. Students are encouraged to regularly check their Assessment Calendar and consider any changes or updates as they are published via the portal.</p> <p>The assessment schedule will:</p> <ul style="list-style-type: none"> • align with syllabus requirements • provide sufficient working time for students to complete the task • allow for internal quality assurance processes • enable timelines for QCAA quality assurance processes to be met (Senior Phase) • be clear to teachers, students and parents/carers • be consistently applied • be clearly communicated through the Student Portal • give consideration to allocation of workload. <p>Student responsibility</p>

	<p>Students are responsible for:</p> <ul style="list-style-type: none"> • recording due dates • planning and managing their time to meet the due dates • informing the school as soon as possible if they have concerns about assessment load and meeting due dates. <p>In cases where students are unable to meet a due date, they will:</p> <ul style="list-style-type: none"> • inform their classroom teacher as soon as possible • adhere to alternative arrangements for submission of assessment, if applicable, as decided by the College. <p>In the Senior Phase (Year 11 and 12) a medical certificate or relevant documentation must be provided when a student is unable to meet a due date.</p> <p>In Years 7 – 10, parent /carer communication should be made with the classroom teacher via email prior to the due date if the parent/carer believes that their child will not meet the due date. Depending on the circumstances and / or expected length of the absence, a medical certificate or other relevant documentation may be requested.</p> <p>All final decisions are at the Principal’s discretion. Refer to AARA information below.</p>
<p>Submitting, collecting and storing assessment information Section 9</p>	<p>Assessment instruments will provide information about St Columban’s College’s arrangements for submission of draft and final responses, including due dates, conditions and file types.</p> <p>All assessment evidence, including draft responses, will be submitted by their due date and where appropriate, via the College’s academic integrity software (eg. Turnitin).</p> <p>Draft and final responses for all internal assessment will be collected and stored for each student. In the senior phase, live performance assessments will be recorded and stored as required for QCAA processes. All evidence used for making judgments is stored as described in the St Columban’s College Teacher Handbook.</p>
<p>Appropriate materials Section 7.1 Section 8.5.3</p>	<p>St Columban’s College is a supportive and inclusive school. Material and texts are chosen with care in this context by students and staff.</p>

Ensuring academic integrity

St Columban’s College has procedures to ensure that there is consistent application of the assessment policy and that staff and students optimise opportunities to understand academic integrity. The following procedures are to be applied in this context.

Internal assessment administration

<p>QCE and QCIA policy and procedures handbook</p>	<p>Policy and procedures</p>
<p>Scaffolding Section 7.2.1</p>	<p>Scaffolding for assessment helps students understand the process for completing the task. Scaffolding will:</p> <ul style="list-style-type: none"> • maintain the integrity of the requirements of the task or assessment instrument • allow for unique student responses and not lead to a predetermined response. <p>Across the phases of learning, students will gradually be given more responsibility for understanding the processes required to complete their tasks.</p>
<p>Checkpoints Section 8.5.3</p>	<p>Checkpoints will:</p> <ul style="list-style-type: none"> • be detailed on student task sheets • monitor student progress

	<ul style="list-style-type: none"> • be used to establish student authorship. <p>Students will work on assessment during designated times and show evidence of progress at scheduled checkpoints. Teachers will use these checkpoints to identify and support students to complete their assessment.</p> <p>Curriculum Leaders and parents/carers will be contacted if checkpoints are not met.</p>
<p>Drafting Section 7.2.2 Section 8.3</p>	<p>Drafting is a key checkpoint. Types of drafts differ depending on subject, e.g. written draft, rehearsal of a performance piece, or a product in development. Drafts might be used as evidence of student achievement in the case of illness or misadventure, or non-submission for other reasons.</p> <p>Feedback on a formal and complete draft is:</p> <ul style="list-style-type: none"> • provided on a maximum of one draft of each student's response • a consultative process that indicates aspects of the response to be improved or further developed • delivered in a consistent manner and format for all students • provided within a timely manner of a submission of a draft. <p>Feedback on a draft must not:</p> <ul style="list-style-type: none"> • compromise the authenticity of a student response • introduce new ideas, language or research to improve the quality and integrity of the student work • edit or correct spelling, grammar, punctuation and calculations • allocate a mark. <p>A copy of the feedback will be stored with a hard copy of the draft in the student's folio.</p> <p>Parents and caregivers will be notified by email about non-submission of drafts and the processes to be followed.</p>
<p>Managing response length Section 7.2.3</p>	<p>Students must adhere to assessment response lengths as specified by syllabus documents. The procedures below support students to manage their response length.</p> <ul style="list-style-type: none"> • All assessment instruments indicate the required length of the response. • Teaching and learning programs embed subject-specific strategies about responding purposefully within the prescribed conditions of the task. • Model responses within the required length are available. • Feedback about length is provided by teachers at checkpoints. <p>After all these strategies have been implemented, if the student's response exceeds the word length required by the syllabus, the school will either:</p> <ul style="list-style-type: none"> • mark only the work up to the required length, excluding evidence over the prescribed limit <p>or</p> <ul style="list-style-type: none"> • allow a student to redact their response to meet the required length, before a judgment is made on the student work. <p>And, annotate any such student work submitted for confirmation purposes to clearly indicate the evidence used to determine a mark.</p>
<p>Authenticating student responses Section 7.3.1</p>	<p>Accurate judgments of student achievement can only be made on student assessment responses that are authenticated as their own work.</p> <p>St Columban's College uses the authentication strategies promoted by the QCAA. The authentication strategies will be specified on assessment instruments.</p> <p>In cases where a student response is not authenticated as a student's own work, procedures for managing alleged academic misconduct will be followed.</p>

<p>Access arrangements and reasonable adjustments, including illness and misadventure (AARA) Section 6</p>	<p>Applications for AARA – Senior Phase (Year 11 and 12 Students) St Columban’s College is committed to reducing barriers to success for all students. AARA are actions taken by the school to minimise, as much as possible, barriers for a student whose disability, impairment, medical condition or other circumstances may affect their ability to read, respond to or participate in assessment.</p> <p>The College follows the processes as outlined in the <i>QCE and QCIA policy and procedures handbook</i> available from www.qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook-2019.</p> <p>The College Principal manages all approval of AARA for students.</p> <p>All AARA applications must be accompanied by the relevant supporting documentation (outlined in Section 6.5.1) and made as far in advance as possible to meet the QCAA published timelines. All evidence used to make decisions is recorded in the student’s file by the principal or their delegate.</p> <p>Students are not eligible for AARA on the following grounds:</p> <ul style="list-style-type: none"> • unfamiliarity with the English language • teacher absence or other teacher-related issues • matters that the student could have avoided • matters of the student’s or parent’s/carer’s own choosing • matters that the school could have avoided. <p>Applications for extensions to due dates for unforeseen illness and misadventure Students and parents/carers must contact the Principal’s Delegate as soon as possible and submit the relevant supporting documentation.</p> <p>Copies of the medical report template, extension application and other supporting documentation are available from the Parent Portal.</p> <p>Applications for Extension or Adjustment – Year 7 to 10 Students The Student Application for Extension form is available for students to download from the DAL (accessible on the Student Portal). Please follow the process outlined on this form.</p> <p>Applications for Extension or Adjustment – Year 11 to 12 Students The Student Application for Extension form is available for students to download from the DAL (accessible on the Student Portal). Please follow the process outlined on this form. Please note in the Senior Phase, the Principal has final discretion over the approval of extensions.</p>
<p>Managing non-submission of assessment by the due date Section 8.5</p>	<p>Teachers will collect progressive evidence of student responses to assessment instruments at the prescribed checkpoints.</p> <p>The checkpoints on the task sheets provide details of the evidence that will be collected.</p> <p>Year 7 – 10 Students In circumstances where students are enrolled in a subject but do not submit a final response to an assessment (other than unseen examinations) and where evidence of student work provided by the student for the purposes of authentication during the assessment preparation period is available, teachers make judgments based on this. If no evidence is submitted, then NA may be reported through the School Reporting System (SRS).</p> <p>For Year 11 and 12 Students In circumstances where students are enrolled in a subject but do not submit a final response to an assessment (other than unseen examinations) and where evidence of student work provided by the student for the purposes of authentication during the assessment preparation period is available, teachers make judgments based on this.</p> <p>In the instance that work was not provided by the student on or before the due date as specified by the school and no other evidence is available, ‘Not-Rated’ (NR) must be</p>

	<p>entered in the Student Management system by the date published in the QCAA SEP calendar (Year 11 and 12 students).</p> <p>In circumstances where a student response is judged as NR (Year 11 & 12) or NA (Year 7 – 10), the student will not meet the requirements for that subject.</p>
<p>Internal quality assurance processes Section 8.5.3</p>	<p>St Columban's College's quality management system ensures valid, accessible and reliable assessment of student achievement. This includes:</p> <ul style="list-style-type: none"> • quality assurance of all assessment instruments before they are administered to students using quality assurance tools provided by the QCAA • quality assurance of judgments about student achievement. <p>In Year 11 and 12: All marks for summative internal assessment for General and General (Extension) subjects are provisional until they are confirmed by the QCAA.</p> <p>Results for Applied and Applied (Essential) subjects and Short Courses may be subject to advice from the QCAA.</p>
<p>Review Section 9.1 Section 9.2 Section 9.5</p>	<p>St Columban's College internal review processes for student results (including NR) for all subjects is equitable and appropriate for the local context.</p>
