Dear Students, Staff, Family and Friends

Last Saturday the Queensland Studies Authority Conference was held at the Brisbane Convention Centre. More than 500 teachers were present to hear some of the latest thinking around curriculum issues facing schools at the moment. As of July this year the QSA becomes the QCAA (Qld Curriculum and Assessment Authority) with curriculum, assessment and tertiary entrance as its continued main focus. You would be aware that the Federal government had asked for a review of the Australian Curriculum earlier this year. This review is also due for completion in July, and the plan is still for a 2016 implementation. It was good to be part of a broader conversation about these important issues and to have those professional conversations with colleagues.

We are now well and truly into the season of Lent. Our fundraising during Lent is for Project Compassion. We encourage all students to contribute a few dollars over the course of Lent in order to bring about change in the lives of others in developing countries. The Project Compassion website brings weekly stories of those whose lives have been transformed by Caritas. Your donation can help change lives. Donations are also welcome through PC groups. Please visit www.caritas.org.au for further information.

The wet weather has caused some disruption to our Cross Country and we have made the decision to postpone that until next term. The Cross Country will now be held on April 23, which is the first week of Term 2.

Our senior students have just completed the first block exams for the year. Reports will be coming home over the Easter break, and we have high hopes that the results will reflect the good effort that so many of our students make here at school.

This Saturday, eight of our students are running in the Queensland Track Classic, the premier athletic of the year featuring Sally Pearson, at QE2 commencing at 5.30pm and concluding about 9.30pm.

The students are running in a 4x100 Relay against other GPS and TAS schools and some are doing individual events in between the professional athletes.

They are:
Boys – Jaspar Sawtell, Ben Schmidken, Jack and Mitchell Lowry and Zane Brown
Girls – Ella Connolly, Tayla Stickler, Ellie Nicholson and Morgan Eldrett

Ella Connolly has been asked to compete in the 100 and 400 metre event in the program running against the top 8, Open women. Ella is currently ranked 25th in the Australian Open Women – an extraordinary achievement for a Year 9 student! Jack Lowry has been asked to compete in the 1500m in the same event. We wish these students all the best for this high pressure occasion! It is wonderful to see the results of their many years of training.

Wednesday night was a great night for debating. Our Year 11 teams had yet another successful night with both teams winning against Redcliffe State High School and Grace Lutheran College. Both of these teams are currently undefeated in the competition. Two of the Year 9 teams also competed with one loss (by 1 point) and one win. It can be very challenging to stand up and present an argument and try and respond to the other team’s arguments with the clock ticking and an audience watching! Congratulations to the debating students for their commitment and a special thank you to the senior students who mentor to the younger teams. It is greatly appreciated.
A date claimer for Term 2 is April 28, where we have the combined College Board and P&F meeting. This year we have Clive May, from Caboolture QUT. He is a Career Counsellor with a focus on widening participation into tertiary education and career planning. He also speaks about pathways in general. Clive is a very engaging speaker and I encourage you to set this night aside and come along. More details to follow.

Best wishes for the week ahead.

Cathy Galvin
Acting Principal

"Everything in life has its own time. There is time to celebrate and there is time to mourn. This is the time for reflection and transformation. Let us look within and change into what we ought to be."  

-- Aaron Saul

Hello St. Columban’s College
I went to Australia in 2012/2013 as an Exchange Student from Denmark. I lived with an amazing host family, included at the Ashleigh Schat, she is also a student at STC. She has showed me the college and helped me to fit in, and I want to thank you for giving me that opportunity to improve my English skills, learnt about the Australian culture, college rules at St Columban’s and being a host of Scandinavia. I have learnt a lot and it has been the best year of my life. I have gotten so experiences that I am proud of to tell Denmark about.

While I went to St. Columban’s I have made so many amazing friends, they have been so open minded to me and welcomed me and letting me in their friend groups, helping me in class, and involved me in events outside of school, I am very thankful for that.

Since I have been in Australia I am more confident and open minded, and I am no longer scared to do speeches in front of my class in English, I am motivated to learn more about everything and I am motivated to travel the world some more and I will diffidently go back to Australia one day.

Thank you for everything STC has done for me, I has been an amazing journey!

Love Nanna Kathrine Nedergaard
Exchange Student from Denmark.

College Notices to Parents/Guardians

PARENT TEACHER INTERVIEW — TUESDAY 6 MAY
A letter will be forwarded home with your student’s Term One Report with information regarding Parent Teacher Interviews, this also includes password and login details to enable booking online.

We encourage all families that are concerned about their student’s Term One results to make an appointment with the teacher concerned. Each interview will be 7 minutes in length. For longer periods of time please contact the College after 6 May and arrange an interview with the teacher concerned.

The on-line booking system will be available for you to make an interview from 9am on Monday 28 April. The portal for bookings will close on 12 noon on Monday 5 May.

Students are to accompany the parent/s to the interview in full school uniform.

DIGITAL CITIZENSHIP RESEARCH PROJECT
Thank you to those Years 8 and 9 students and their families who have returned the Project Consent Form. The students are responding positively to the opportunity to be involved in sharing their experiences of learning about digital citizenship.

If you would like to be involved and haven’t yet returned your form – please return it TO THE BLUE BOX IN THE OFFICE or via your PC as soon as possible.

If you have lost the form or need a new one to sign please email Mrs Kingsmill at kingsmill@stc.qld.edu.au

ST COLUMBAN’S COLLEGE APP
St Columban’s now has a College APP. DOWNLOAD IT NOW to keep abreast of all the happenings at the College.

The College APP is available FREE at iTunes and the Android Market – please download it to your iPhone, iPad, Smartphone or Tablet. Simply search ‘St Columban’s College’ to download – don’t forget to position the St Columban’s APP on your front page, so that online alerts and messages can be retrieved ASAP (simply click on the APP, tap the messages icon and refresh your screen updates!)

You will be able to:
- Report absentees via voice message
- Send an email to the College office
- Access College Calendar and Term Dates
- Receive SMS/Notifications via the Messages TAB
- Access SPORTS updates
- And much more….

All feedback and ideas regarding the use and ongoing development of the APP welcomed at scaboolture@bne.catholic.edu.au

PLEASE NOTE—YOU ARE ABLE TO ADVISE OF ABSENTEES VIA THE APP

Is your current or past student looking for a job, traineeship or apprenticeship?

Log onto the College Website www.stc.qld.edu.au

Click onto StC Blog in the Quicklinks box.

Yr 12 QCS Special Provisions
One means of Learning Enhancement staff advocating for entitlements is through the co-ordination of the Yr 12 QCS Special Provision applications

- Yr 12 students sitting for the QCS Test may be eligible for Special Arrangements due to a variety of reasons, including medical conditions (eg asthma, allergies, diabetes, etc), psychological/emotional challenges (ongoing or point in time), Non-English Speaking Backgrounds, Illegible Handwriting, Specific Learning Disabilities, impairments, etc.
- The most common Special Arrangements include: smaller group or separate supervision, stretch and rest breaks, toilet breaks and food consumption. Depending on the medical diagnosis/impairment and degree of entitlements, a number of students have been eligible for the use of a laptop, additional time and written instructions.
- Learning Enhancement plan on forwarding information letters to parents/carers of students who may be eligible to apply for QCS Special Provisions, by mid March. All applications are required for submission to QSA by early May.

Any student and parent/carer are most welcome to contact Learning Enhancement to discuss eligibility and the application process.

Joanna Kopitz
ESL/Support Teacher
Having lived, travelled and worked internationally for over 10 years, I bring this rich experience to my Support Teacher role. I owned and ran an English school in New Zealand for 15 years, so well understand the challenges for those learning and studying in a new language.

Penne Evans
Learning Enhancement Officer
I’ve worked in many Industries with people from different backgrounds. After studying Asian Studies & International Business, I worked in Investment Banking, Advertising, Publishing and IT in London and Tokyo. I speak fluent Japanese and I’m a fully qualified yoga teacher. I enjoy using my skills and experience to help students learn and seeing them experience learning breakthroughs is just so satisfying for me. If you want to practice Japanese or learn relaxation techniques.. or get some help with your school work please come and see me!

St Patrick’s Day

On behalf of the Molloy Movers thank you for your support on St Patrick’s Day at our annual bake sale. The Molloy community were tremendously helpful in donating jelly, cupcakes and other green goodies.

We were blown away by the support of the College in purchasing everything we had to offer to raise over $500 for our house charity.

Ian Sweeney
Molloy House Coordinator

Congratulation from StC Community

Congratulation to the St Columban’s students who competed at the Junior State Surf Life Saving Titles last weekend at Kirra Beach:

- Corey Cumner won silver medal in the ironman event for U14 group, 8th in the board final and 7th in the swim final.
- Taylor Stickler won the sprints and flags for U14 female.
- Ally Nicholson made the final for the U14 sprints and the semi final for U14 swim.

These students have trained exceptionally hard all year for this event and have done very well at the carnival where there were at least 1500 competitors.

Corey and Taylor will also be competing at the Australian titles being held at Scarborough Beach in Western Australia in the coming weeks.

St Columban’s Student trek The Kokoda

Taleah West Yr 9 and brother Jake West Yr 12 will be trekking the Kokoda this week with their father, Dean West who is an ex Army, having served in Malaysia.

Taleah and Jake have joined their father in fundraising for Mates4Mates Kokoda Adventure 2014. The group also consists of another 27 people, who will make the 96km journey in respect for the many fallen soldiers. Mates4Mates provides welfare and treatment programs for current and ex-service men and women of the Australian Defence Force.

We wish them all the best for the arduous journey. What tales they will have to tell on their return to college.

To support Dean, Taleah and Jake, visit www.everydayhero.com.au, search for Mates4Mates Kokoda Adventure 2014 and then search for Dean West.

‘Lucky’ Lakeisha’s eyes on the Commonwealth Games prize

BONGAREE swimming sensation Lakeisha “Lucky” Patterson has self-coached her way to a world No.1 ranking in four events.

Lakeisha turned heads at the recent NSW Open Swimming Championships, beating the Australian record time for the 50m freestyle which was set by 2012 London Paralympics gold medallist Jacqui Prenny.

She has been graded into the ST category for Paralympic competition which covers cerebral palsy.

When onlookers discovered Lakeisha had no coach, mum Sherryn said they were in shock.

Since the event, the 15-year-old has joined the high-performance squad at the University of the Sunshine Coast and coach Jan Cameron. “Everyone was just astounded,” Sherryn said.

“Paralympic grading only happens once a year, so it was a really big deal.”

“With a whole lot of determination and drive she said she was going to do it.”

“She jumped on the internet and got information on different sets.”

Now with a coach attached, the superfish is on her way to booking a place on Australia’s 2014 Glasgow Commonwealth Games team. “It’s all very exciting for her right now.”

“She’s gained a couple of sponsors right now and everyone in the high performance squad on the Sunshine Coast is really looking after her.”

“It’s going to be exciting to see what’s down the track.”

Despite the promise lying ahead – with swimming officials expecting her to peak at 22 Lakeisha is still planning to start set up a swim school in Caboolture for children with disabilities.

Several stars of the region will be in action at the trials in Brisbane Aquatic Centre from April 1-6.
TAS Sport

**Cricket**

For the first time this season, St Columban’s was victorious in all five games of cricket. What a difference having all our club players back makes! I believe that if we had the teams we fielded on Saturday all year, we would be playing in more than one grand final this weekend.

In the 1st XI match, skipper Hayden Jeffrey won the toss and sent Redeemer in to bat on a green top. Justin Thompson produced an extraordinary bowling performance to take 5 wickets for a miserly 2 runs from 8 overs. Redeemer had no answer and were bowled out by morning tea for only 59 runs with five of their batsmen not troubling the scorer. Justin was well supported by CD Gardner who took 2/15 off 6 overs. StC easily gathered in the runs for the loss of only 3 wickets with Dan Cabrera remaining unbeaten on 40.

The 2nd XI achieved a win through the Duckworth-Lewis system in a rain-affected match. Kelsey Webber returned to form taking 4 wickets and almost scoring a half-century before the game was called off.

The Year 10 team dismissed Redeemer for 116 with Chris Dougherty taking 3/21. In reply, StC scored the required runs for the loss of 6 wickets with Gerald Ubaldo making 47.

The all-conquering Year 9 team steamrolled yet another side. Chasing just 79 runs, the Year 9 team easily achieved the total and this time, they reversed the batting order to let everyone have a turn. Seth Reimer scored 24 runs before unselfishly retiring to allow others a bat. In a similar style, the Year 8 team chased down a paltry 53 runs with the loss of only 2 wickets to register another win. Zac Bennett scored 25 runs from only 16 deliveries. Bailey Cook did well with the ball with only 3 runs taken from his 5 overs.

If the weather fines up, STC will contest five finals this weekend with the Year 9 team playing for the premiering at home on the main oval starting at 1.15pm. Good luck to all the boys and please remember that the TAS Cricket awards will be held on Tuesday evening, 1 April (no joke) at the College.

Sean O’Kane
Cricket Convenor

**Volleyball**

**Year 8**
StC v Redeemer: 0-3
It has been a wonderful season for a great group of boys, most of whom have never played volleyball at this level before. Although our loss on Saturday meant that we have indeed played our final game of the season, I am sure all parents and players will agree, that in between learning a wide range of new skills, a huge amount of fun was had by all. I would like to thank the boys for their great enthusiasm and commitment as well as the wonderful sportsmanship they showed week in, week out. We look forward to doing it all again next year. Well done team!

Last weekend saw the ending of our round games in the TAS Volleyball season. All of our teams have performed brilliantly this season in terms of their skill development and improvement, gamesmanship and College representation. There have been truly admirable moments when the boys have really demonstrated what they are capable of and how far they have come in their teamwork, skill level and commitment to one another. There have however also been moments of absolute despair when only 2 points and momentary lapses in concentration have lost close games. I have no doubt the boys have learned a great deal this season from their coaches and from each other.

This week’s finals will see –
- **Year 8**s BYE Finishing in 9th position
- **Year 9**s HOME playing for 7th position
- **Year 10**s HOME playing for 7th position
- **Seconds** AWAY @ Canterbury playing for 5th position
- **Firsts** AWAY @ Redeemer playing for 7th position

Good luck to all teams on the weekend.

Julie Atkins
Boys Volleyball Coordinator

Absentee Hot Line: 5433 7366 (24 hours a day)
TAS Trimester 1 Awards Night

The Trimester 1 trophy presentations will be held in the MMPC on Tuesday evening, 1 April. The evening will start with a BBQ at 5.30pm and awards will be presented from 6pm onwards. There will be a couple of our current MAP students as our guest speakers on the night. The evening will conclude by approximately 8.00pm.

All trimester 1 team players and Swimming Age Champions are expected to attend. It would be great to see all families support one another and stay for the entire presentation. All team captains should be organizing a small gift and card for their coach. Sports Presented – Girls Basketball and Tennis, Boys Cricket & Volleyball and Swimming.

Students Absent from College for Sport
Any students who are absent from college due to other commitments (unless they are with a TAS team) need to ring through the office to inform the school of their sporting absence. We are not always aware of your sons / daughters selection into representative teams, so please contact us to let us know.
Athletics
Last weekend saw the Queensland Little Athletics State Championships take place in Cairns with five St Columban’s students bringing home seven gold medals amongst them. Ben Schmidtchen continued his winning form from the National Championships in the U14 High Jump. Whilst not matching his jump in Sydney he cleared 1.70m to take out first place. This he followed with a first place in the Long Jump at 5.72m and a personal best run in the 200m Hurdles of 27.13 to take out that event and finish with three gold medals from three races! Ella Connolly followed Ben’s form and whilst not able to match his gold medal count did walk away from the event with three medals. Ella received gold in the 400m after running 59.91 and two silver medals in the 100m and 200m races. Jack Lowrie (Yr 10) rounded out the Under 14 age group collecting two gold medals for the 1500m run which he did in a time of 4:31.95 and the 800m event that he finished in 2:13.25. The Under 13 age group provided a tougher field with Mitchell Lowrie and Zane Brown (Y8) both taking on the large competition groups on the track. Both boys qualified for the final of the 400m with Zane taking out the gold medal in a time of 59.05 to round out the St Columban’s Gold Medal Tally. Big congratulations to these students all of whom are gearing up to compete in the Queensland Track Classic this weekend.

Football
Brandon Borrello (graduated 2013) has continued his fine form of last year being a member of the Brisbane Roar Premier Winning Team. Brandon said the atmosphere at the game last Saturday night at Suncorp Stadium that saw the Roar claim the Premier’s title was amazing and that it was such a great experience to be part of. His ability to enjoy the moment was shortened however as Sunday saw him fly to Sydney to take part in the Young Socceroos (Australian U20 Team) Training Camp, his third for this year. The camp finished on Wednesday with an inter-squad match in which Brandon scored 3 goals. Branden certainly left the camp on a high.

Andrea Hickey | Mentor Academy Program Coordinator

Taylor made to take it to her older rivals

SHE has won beach sprint titles in five age groups, new Taylor Stickler is set to step up a grade for the 2014 Australian Surf Life Saving Championships next week.

Taylor, 14, won the under-14 beach sprint and beach flags at the Queensland titles on the Gold Coast last week, a week after claiming the under-13 beach sprint.

The Embah resident said she was more stressed about winning the under-14 title than the under-15, the age group she will be racing at nationals.

"The under-15s I didn’t really have any expectations. I just went through and I was actually really surprised that I won."

Taylor, a Bribie Island Surf Life Saving Club member, said she was taking the same attitude to Perth.

"I’ve got no expectations at all. I’m just going there to have a bit of fun."

Taylor, who also plays beach football at St Columban’s College, does most of her training with Mooloolaba Surf Life Saving Club under beach sprint coach Peter Booth.

Bribie Island SLSC finished 12th of the 40 clubs to contest the state titles.

The club also had success with Holocaust Alleyne in the under-13 beach flags and Corey Cunquer in the under-14 ironman.
