Principal’s Message

Dear Students, Staff, Family and Friends

What an impressive honouring of Anzac Day by our St Columban’s community!

It commenced with our College ceremony on Thursday afternoon which took place in our Mary MacKillop Centre. The reverence of our students was indeed apparent, as we paid tribute to our past students who were killed in action. Particular homage was paid to Sgt Blaine Diddams who was awarded another Medal of Gallantry last year. Mr Terry Fogarty and a large group of past students, who were Vietnam War veterans, attended. They were all moved by Brittany Cooper's wonderful rendition of the Last Post on her veteran bugle, as well as our student recitation of “The Lonely Scout”.

Terry presented a replica of Blaine’s medals on a special blazer, which was then worn by Brittany. We were very appreciative of this meaningful gift – we hope to continue with this idea to honour those who sadly have made the ultimate sacrifice.

Terry presented us with beautiful flowers, which were greatly appreciated. A lovely afternoon tea followed and we thank all those who helped with this significant event, especially Mr Les Conroy APA and Mrs Raechel Fletcher APRE as the Organisers.

Our College Captains and Vice Captains attended the Anzac Mass and some also represented us at the Dawn Service. Katie Iliffe and Dan Cabrera spoke from the pulpit of the meaning of Anzac Day for them.

Dan reflected on the service of his grandfather in WW2 –

“Between the years of 1941 and 1945, my Granddad served as part of the 49th Battalion. During this time he also worked in the Australian New Guinea Administrative Unit. Here he worked with the Papuans, the natives of the land.

As part of his job he recruited and trained people for the Papuan Infantry Battalion. After the war was over and he was discharged in 1947, he stayed in PNG until 1960. During this time he worked to rebuild villages that were destroyed during the war and also helped to interpret cases in court as he knew Motu, the native trade language and had an understanding of over 10 native dialects and was he familiar with the culture of the time.

When I was talking to him he emphasized one point: the strong relationship between the natives and the Australians. They served with each other, looked after each other. He talked about the great respect they had for each other. This is what the ANZAC spirit is about. Mateship.

Although these people have come from completely different backgrounds, they put their differences aside to work together to achieve a common goal. Not only that, but they helped each other after the war and continued to fix what was broken.

I wanted to leave you with something my Granddad said that moved me the most. When asked whether he hated the enemy his response was; “We didn’t go into war to hate people. We went into war to come out with peace”.

Peace and freedom are worth fighting for and ANZAC day is a day to remember those who had the conviction and the bravery to fight on behalf of us all. So we all could live in a better world.
Following Mass was the march and 280 students and staff marched proudly along the main streets of Caboolture. What a great tribute and mark of respect and commitment by our students. This was complemented by another 40 students at the service on Bribie and more at Kilcoy and Deception Bay. So, overall about 350 students took part in ceremonies on Anzac Day. Many thanks must go to Mr Henry Rose and other staff who assisted in coordination.

Our P&F and College Board dinner was held on Monday evening and Clive May our guest speaker from QUT brought us up to date with careers counseling tips. 30 people attended and were all enthusiastic in their discussion and appreciation of this gathering.

We thank Fr Wrex for celebrating the Duhig House Mass on Tuesday, inclusive of his homily speaking of the inspiration of Archbishop Duhig. Well done to the Coordinators Susan Mabb and Jacob May for leading a lovely liturgical celebration of their house community.

Some recent great achievements include:

- **Corey Spano** (Yr 9) has been awarded the Queensland Starlight Child of the year by Mater Hospital and EB Games. Corey received this award for his bravery during his time of needing a new kidney and through the operation and recovery process. He now appears on posters in EB Games stores throughout Queensland for the Starlight Foundation Week.
- **Brandon Borrello** (graduated 2013) was named National Youth League Player of the Year in Sydney at the A-League Awards.
- **Jack Payne** (graduated 2012) has made the Australian Rugby Union 20s run on team.
- **Lucky Patterson** efforts at the Australian Titles secured her a spot in the team that travelled to Sao Paulo for the Brazilian Swimming Championships recently. Lucky improve significantly with her currently ranked number 1 in the World in her class for 4 events, as well as being ranked number 2 in the World for another 4 events including 100m Freestyle, 50m and 100m Breaststroke and the 200m Individual Medley. Preparations have begun for the Paralympic Pan Pacific Championships in California and the Commonwealth Games in Glasgow later this year.

Coming Events:
6 May Principal's Awards Ceremony and Parent /Teacher Interviews
9 May Photo Day 1
12 May P&F Meeting 7pm
13-15 May NAPLAN
17 May Open Day
20 May Catholic Girls Netball Carnival
21 May District Cross Country
   Photo Catch Up

I especially look forward to seeing you on Tuesday at the Principal Awards and Parent Teacher Student Interviews.

We are very keen to see our enrolments for next year progress, so please encourage those current parents of Year 6 and 7 students to submit their applications. Open Day on May 17 will be a buzz day for the College so I hope you can make it to be part of a great showcase event.

We pray for our families who are suffering at present with the loss of loved ones, that they may find comfort in the support of each other and the love from their friends and community.

Take care and blessings for the week ahead!

PARENT TEACHER INTERVIEW — TUESDAY 6 MAY
A letter has been forwarded home with your student’s Term One Report with information regarding Parent Teacher Interviews, this also includes password and login details to enable booking online.

We encourage all families that are concerned about their student’s Term One results to make an appointment with the teacher concerned. Each interview will be 7 minutes in length. For longer periods of time please contact the College after 6 May and arrange an interview with the teacher concerned.

The on-line booking system will be available for you to make an interview from 9am on Monday 28 April. The portal for bookings will close on 12 noon on Monday 5 May.

Students are to accompany the parent/s to the interview in full school uniform.

College Photos—Friday 9 May
Parents and students please be aware that our first photo day is next Friday May 9. On this day, all individual student photos are taken. Students need to be in formal uniform and have their hair and jewellery as per our guidelines. Photos of student leaders will also be taken, as well as the various house student councils, e.g. Molloy Movers. We will also take individual photos of school based trainees and those studying external courses.

The only sport photos taken on this day is the TAS swimming team. Those students who are in the TAS swim team will need to bring their sport uniform for this photo. Students have been given times for the photos but that may change and it is important that students listen out for any notices on the day about the photos.

Family photos will be taken for an extra charge. These will be in the first break. Please let Ms Galvin know if you want your students to have a family photo.

There will be a catch up photo day on Wednesday May 21 for students who are absent on the 9th May.

Blazers and Ties
Compulsory wearing of College Blazers and Ties commences on Monday 12 May. As of this date students are required to wear their blazer and tie while in transit to and from the College daily.

THEATRE RESTAURANT
This year the College's production will be a theatre restaurant featuring not one but TWO hilarious, fun filled plays!

Everyone likes a fractured fairy tale, except the wolf apparently, in ‘RED RIDING HOOD’. Perhaps another dog will do! Agatha Christie’s stories always work – or do they? In ‘AND THEN THERE WAS ONE, TOO...’ havoc enters the mysterious house where a group of guests...You know the rest.

This and a great meal, too!

Menu:
- Bread starters
- Main meal; alternate drop
- Dessert
- Drinks will be available at the Bar
- The Coffee Shop will also be operational

Tickets:
At the time you buy your ticket you will be asked to choose a table to be seated in the Theatre Restaurant. The tables seat six. Please indicate on this seating plan if you have any dietary requirements. Adult tickets $20 Child Ticket: $10. Tickets are available at the Finance Office.

Date: 4 and 5 June. Doors open at 6:00 pm for a 6:30 pm start.

Location: St Columban’s College, Mary MacKillop Performance Centre

A GREAT SHOW FOR THE WHOLE FAMILY!
Learning Enhancement Centre

Rachel Carr
Learning Enhancement Teacher

I’ve been a secondary teacher for 17 years, teaching visual art; English; RE; film, television and new media; maths and geography. I’ve also been a Curriculum Coordinator for the Arts; Cultural Coordinator and House Coordinator. I love working in the Learning Enhancement team because I am able to assist all students in their learning and work with classroom teachers in their goal to reach every student. I feel I am able to make a real difference to the students by supporting their learning through customised learning plans.

Study Skills Part 2

This week we have included more ways for students to study smarter and improve their grades.

Ask for Help – Don’t be scared to ask questions in class. Most other students are probably wondering the same thing. If you don’t feel comfortable doing this, organise a private discussion with your teacher.

Reward Yourself – Reward good study with fun activities instead of using them to procrastinate. Having something to look forward to will motivate you to study.

Take Notes – Write down what you learn in class and also any other ideas you have. This will help you remember information better, allowing you to recall it to use in pieces of assessment. Read over your notes before and after class to refresh and improve your memory.

Sleep and Eat – Sleeping well at night and eating a healthy breakfast will help your brain function at its optimum level. You need to sleep at least 8-9 hours each night and eat a breakfast that is high in protein (cheese, milk, sausages, eggs etc.). This will ensure your brain has enough energy and rest for memory and learning.

Read next week’s newsletter for valuable information on the new Learning Enhancement Centre.

Netball

8B
Very pleasing start to the season for Year 8B Netball Team. Some of our girls had not played netball before however they controlled their nerves and turned it into positive energy. It was a close game every quarter with us going goal for goal with St Johns. We worked very well with some strong passing through our mid court and excellent shooting from Samara Donovan and Maxi Roberts. The game ended in a 20 all draw which I felt was an excellent start to our season.

9B
After a very early start and long journey to St John’s, the Year 9B girls came away with a comfortable win, 20-9. Our main goal scorer of the match was Georgie Bulluss, scoring 15 of our 20 goals. Brianna Van Der Meer and Josie Ferguson shared centre court, taking on a big responsibility for our first match and their presence was very impressive. Honorable mention goes to our two new players this year, Wanita Baker and Brittany Ball. These girls played a terrific match demonstrating determination, great teamwork and passion for the game and have molded into our team beautifully. Congratulations girls on a fantastic win!

10A
Great start for the girls with a win against St Johns 37 to 8. Thanks to the girls for playing out of position to cover the defence end as both our defence players were out injured. Hurry back Steph Hudson and Kaitlyn Bell. Welcome Gabrielle Olino into the A team, Gabrielle had a great game even with all that nervous energy on board. Some super accurate shooting from Maddy Clark and Haylee Crotty, keep that up girls, please! Let’s train hard and secure the next win.

Open B
The 2014 season has begun with StC traveling to Forrest Lake to play St Johns. The first quarter saw some accurate shooting by Ash Schat and Sarah Benbow to take a narrow lead by 2. In the second and third quarter some new combinations were trialled and our error rate increased. This saw St Johns take the lead. The last quarter was intense and neither team gained an advantage so it was St John’s who came away with the win, beating us by 4. The girls, who have not played together before, showed wonderful sportsmanship and never gave up. Training and refining team combinations will see them go from strength to strength and we look forward to showing what we are truly capable of over the next few games. Particular mention must go to Dominque Serginson and Lauren Shaw who gave their all and to Steph Van Der Meer for taking some much needed intercepts.

OPEN A
First game. First WIN! 39 to 13 against St John’s. Brit Nolan got the team off to a flying start with super accurate shooting with 10 from 11 attempts in the first quarter. Emily George backed that up with awesome defence stopping the goals at the opposite end. Our centre court was strong and took control of the game with some great feeding into the goal circle. Great effort girls for the first game, let’s build from here.

Boys Tennis

We travelled to Griffith University Tennis Centre to play St Johns last weekend in our first match of the season. It was a great start with wins to the Firsts, Seconds and Year 10 teams.

Firsts won 6-0, 36-16 and was an awesome start to the season. Everyone played well and MVP was Justin Thompson. Seconds won 6-0, 36-11 and was also a fantastic start to the season. All players played strongly with Josh Nicholson MVP. Year 10 won 5-1, 37-24 and was a good start to the season. Great singles game from Damien Thompson and MVP was Rusty Rosenberger. Year 9 lost 6-0, 36-3 and was a tough match to start the season. Good effort from William Wallace in year 8 and MVP was Lachlan Glew. Year 8 lost 4-2, 33-19 and was closer than the score indicates. MVP was Jet Nguyen.

**ST COLUMBANS RUGBY PARENTS MUFFIN STALL**

Another year begins for our highly successful muffin stall this Saturday. Please bring any cooking along from 8 am to the stall. Just look for the blue tent next to the main oval. If you can spare some time to ‘sell’, that would be helpful. That way we all get to watch our sons play. Ideas for food are of course muffins, patty cakes, brownies, small lolly bags, rocky road or any other creation. See you there!

Interhouse Cross Country

After a washed out first attempt in term 1, the day of the cross country couldn’t have been any better with clear blue skies - except it was a bit warm for some of the runners – can’t please them all apparently! With the first carnival in the last 7 years that has not been weather affected it appeared that there was a ‘fast track’ with many records broken on the day.

All houses participated well on the day with some friendly rivalry once again on the track, helping to push some runners that bit harder. There was great house spirit with many dressing up in house costumes and cheering their fellow teammates around the course. The biggest cheers though were reserved for the announcements of the winning houses, with Molloy taking out their second major carnival of the year! In second place was O’Driscoll, followed by Duhig and then English houses. All students need to be congratulated on their efforts and their conduct on the day.

There were some fantastic individual events on the day resulting in a number of records being broken:

- 13 Yrs Girls – Ingrid Torrens – 12:15:38 (broke her sisters record)
- 14 Yrs Boys – Jasper Sawtell – 10:02:96 – (record last set in 2008)
- 15 Yrs Girls – Claire Torrens – 11:42:16
- 16 Yrs Girls – Natasha Llora – 12:00:12 (4th record in a row for XC)
- 17 Yrs Girls – Annie Archer Scott – 12:05:59
- 17 Yrs Boys – Mitchell De Rossi – 16:10:25 (record last set more than 8 years ago)

All our record breakers were obviously the age champions on the day, along with Mitch Lowrie for the 13 Years Boys and Jordan Wust for the 16 Years Boys who both ran superb races also.

With these fantastic results and the fact that all the Girls records have been broken in the last 2 years, we are certainly seeing some fantastic runners coming through the College and hope to see this realised in our performance at the TAS athletics carnival at St Paul’s this year. The only record that we have not had broken in the last 8 years in the 13 Years Boys with a blistering time of 10:09:03, but with our current form, hopefully we will see this one also go in the next couple of years.

Finally I would like to thank all the staff that assisted in running the carnival on the day – your assistance is greatly appreciated. In particular to Mr Brad Anderson and Mr Dan Out for help in organizing, setting up and packing up for the carnival.

We look forward to seeing as many students as possible at Cross Country training on Tuesday and Thursday afternoons and Wednesday mornings.

Swimming
Lucky Patterson has continued her fine form in the pool over the past month as she continues to build in the lead up to big international meets later this year. Lucky took part in the Australian Championships and Team selection events in which she set many more personal best times, medals and records. Her efforts at the Australian Titles secured her a spot in the team that travelled to Sao Paulo for the Brazilian Swimming Championships that finished on the 26 April. The end of the championships and the busy month of April have seen Lucky improve significantly with her currently ranked number 1 in the World in her class for 4 events including 50m and 400m Freestyle and the 50m and 100m Backstroke as well as being ranked number 2 in the World for another 4 events including 100m Freestyle, 50m and 100m Breaststroke and the 200m Individual Medley. Lucky is currently returning home to recover for the last month and begin preparing for the Paralympic Pan Pacific Championships in California and the Commonwealth Games in Glasgow later this year. We congratulate Lucky on her achievements and look forward to hearing from her when she returns to school next week.

Taekwondo
Louie Beatty (Yr 11) had a short but successful trip to Perth over the break to take part in the Australian Team Selection for the Oceania Championships later this year. Louie had a great event, which was capped off by his outstanding 12-0 win in the final. This performance saw Louie secure his place in the Australian Junior Taekwondo Team for the 6th Oceania Championships to be held in Sydney in August this year. His efforts also saw him receive an invitation from the Australian Institute of Sport to take part in a High Performance Training camp run by Olympian Ali Khalil in June. Congratulations to Louie and we look forward to more great results in the future.

Tennis
Bryah Guilfoyle (Yr 9) is currently on her way to Perth to take part in the Australian U19 School Tennis Championships. This is Bryah’s first time at the event and as one of the youngest competitors we wish her all the best.

Andrea Hickey  |  Mentor Academy Program Coordinator

Brandon Borrello named National Youth League Player of the Year at the National A-League Awards in Sydney.

We would like to acknowledge and congratulate Brandon Borrello (graduated St Columban’s 2013) on receiving the National Youth League Player of the Year Award. This is a huge achievement for which the school community could not be prouder.

Brandon Borrello, a former student of St Columban’s College and the StC Mentor Academy Program, was recently recognised for his outstanding football talent at the Football Federation Australia A-League National Football Awards in Sydney on April 28. Brandon was named as a member of the Brisbane Roar Youth League team in 2011 and has continued to improve in both skill and playing ability over the years. In 2013, whilst still playing for the Youth League Team, Brandon was called up to the Brisbane Roar Hyundai A-League team for their first game against the Wellington Phoenix in New Zealand. This was to be the first of 13 games throughout the 2013/14 season in which Brandon was called upon to make valuable contributions to the A-League Table Leaders.

Throughout late 2013 and early 2014 Brandon was also involved in the Australian U20 Young Socceroos Development Camps showing great skill and promise at each. Brandon was recognised at the awards night as the National Youth League Player of the Year, which acknowledges the best and fairest player in the league that is voted on by an expert panel appointed by the National Technical Director at the conclusion of the season. We congratulate Brandon on everything he has achieved and look forward to seeing his developments and successes in the coming years.

MOBILE PHONE RECYCLING PROGRAM
Australian Mobile Recycling was founded in September 2011. Their aim is to collect as many used and unwanted mobile phones as possible. All mobile phones will be recycled for reuse, which means they will be refurbished for resale. Handsets are restored to factory conditions and all Sim card and memory cards are destroyed.

Any phones that are beyond repair will be broken down into their constituent parts and recycled by Australian licensed recyclers.

For our recycling efforts our school will receive $3 for every mobile phone returned. Your contribution will not only raise money for our school community but also help the environment in a positive way by reducing waste. BRING IN YOUR OLD MOBILE PHONES and place in the box at the school office student counter.

One of the strengths of St Columban’s College is the emphasis we place on planning and providing the best possible physical facilities and academic resources for all our students.

The role of providing these facilities is a partnership between the College, Government and most importantly the generosity of parents, alumni, staff and friends.

This financial support from the St Columban community ensures that the College can direct funds to vital projects that otherwise might not receive funding.

Current projects include our wonderful Mary MacKillop Performing Arts Centre.

You Can Make a Difference

As a College community we can provide present and future generations of students with the best facilities and learning environment.

All Donations to the Voluntary Building Fund are very welcome and tax deductible.
