Dear Students, Staff, Family and Friends

What a wonderful event we experienced on Open Day! It just seems that each year we see more students involved, a greater range of displays, higher level of sport, more outstanding entertainment, with superb facilities, exquisite delicacies, tasty P&F BBQs, hairdressing glamour, more past students, lots of impressed visitors, and best of all, a vibrant sense and feel of community. There was a real buzz and I think we all felt so proud to be a part of St Columban’s Community. When interviewed for Community 4510TV I expressed these sentiments! Have a look on this website! We need to thank the 100s who made this happen, being lead by Assistant Principal Mr Mike Connolly, assisted by Mrs Kim Tredrea and the many other staff and students who made this all happen. We also appreciate the hard work done by Mr Pat Greene and the Grounds staff - the campus looked terrific!

Have you or your friends enrolled their Year 6 or Year 7 student yet?? Don’t miss a spot!

We are encouraging applications for places. Please talk to your friends and spread the good word about the College. We invite applications. There are plenty of places available as we have expanded our facilities and will be very well prepared for our Year 7 and Year 8 intake in 2015. We have many students from different schools (35 different schools which is quite amazing and they have a range of backgrounds). We are keen to provide a caring quality Christian education in a Catholic setting for all those who would like this opportunity.

We endeavour to keep our fees very reasonable and a substantial part of the payments are levies which would be charged at all schools whether state or Catholic. We try to look after families in need.

Our results have been outstanding in many areas – academically, vocationally, culturally and in the sporting arena. The breadth of opportunities for students with access to learning help, participation in many co-curricular activities, social inclusion, and purpose oriented immersion programs is second to none!

Please urge interested families to contact us or if you have other siblings we would love the application form submitted as soon as possible.

I will be conducting special college tours every Thursday morning at 9.30 am - no need to prearrange. If this does not suit, please phone the College and speak to Ms Jenny Grehan (Assistant to the Principal) to make an appointment for another time.
Liberation and Education
I attended the Edmund Rice Education Australia Conference in Fremantle last week and was impressed with the advocacy model of education being promoted. The whole philosophy of education as liberating and broadening the horizons of the individual was explored. The meaning of education and its value in opening minds and hearts was emphasized and we heard the many good news stories of deepening teaching approaches and communication with home.

Congratulations to the following students on recent outstanding achievements
• Debating Win by Senior Team placing them in the Finals
• Excellent Grades in Music Exams by:
  Kyle Lacey-Janetzki Grade/Level Five Award with Distinction
  Natisha Ford Grade/Level Six Award with Distinction
• 2nd place to Year 11/12 Film and TV Students with 2nd Place in QUT Film Competition
• District Cross Country successes for 13yrs Ingrid Torrens 1st and Mitch Lowrie 2nd; 14yrs Jasper Sawtell 1st; 15yrs Claire Torrens 1st and Jack Lowrie 1st.
• Touch Football: Sophie Lewis, Mitch De Rossi (both Yr 11) and Cory Parker (Yr 12) at Qld U18 Touch Football Championship.
• Rugby Union: Sam Hicks and Jordan Tupai-Ui (both Yr 12) as part of the winning Combined Catholic Schools Rugby Union team.
• TAS teams who performed well on Saturday particularly the First XV in the Rugby in front of our Reunion Group of Past Students. Well done to Darren Perriera who took out the inaugural Best Player Trophy awarded by the Past Students! Our special thanks goes to Mr Eugene Waugh and this group.

Blazers and Ties
Compulsory wearing of College Blazers and Ties commenced on Monday 12 May. As of this date students are required to wear their blazer and tie while in transit to and from the College daily.

Year 10 Work Experience
Letters have been posted home with regard to the Year 10 Work Experience. This year’s work experience will be 24-27 June. Students are required to source their own placement, however if they are having trouble doing so they need to see Mrs Upton in Careers for some guidance asap.

ARE YOU WORRIED ABOUT YOUR CHILD'S MOODS?!
Parents have come to accept that the teenage Years are moody ones, marked with surges in hormones, and rapid changes in physiology as well as social patterns. Most if not all teens will experience some degree of ‘moodiness’, and despite the challenges that this presents for others in the household, it is generally considered a ‘normal part’ of growing up. For some, however, the level of mood disruption can be more significant. According to the Black Dog Institute (http://www.blackdoginstitute.org.au/), the onset of mental illness is typically around mid-to-late adolescence and Australian youth have the highest prevalence of mental illness of any age group. Over one in four (26%) young Australians experience a mental illness every year. Common mental illnesses in young Australians include anxiety disorders (14%) and depressive disorders (6%), with some of these struggling teens resorting to self harm in an effort to cope.

St Columban’s College is continuing a program this term, based on Emotion Modulation Therapy (EMT). EMT is a mode of psychotherapy developed at the Griffith University. It helps individuals improve their ability to cope with problems in life and reduce the level of discomfort in approaching everyday challenges. It has been used to treat a wide range of disorders, including depression, anxiety. Dr Angelo De Gioannis is a consultant psychiatrist from Brisbane and will co-facilitate the program with Guidance Officer Dave Clarke. Dr De Gioannis reminds us that today’s ‘moody teen’ can be tomorrow’s very troubled adult and that early intervention is known to significantly improve outcomes.

If you are interested in hearing more, or to simply put forward your child’s name for consideration for the program, call Dave at the College, or email him at david.k.clarke@bne.catholic.edu.au.
Assignments Part 2: Improving Your Grades

All of you have the ability to receive high grades on your assignments. Poor grades are caused by misunderstanding the task and a lack of motivation, not ineptitude. Here are some ways to help you receive higher grades on your assignments.

1. **Understand the Task** – Many students read an assignment’s task sheet, but forget to look at the criteria sheet. The criteria sheet is one of the most important parts of the assignment because it outlines exactly what you need to do to receive a particular grade. Go through the criteria sheet with your teacher and write down any additional information they mention.

2. **Create an Assignment Timetable** – Create a timetable that clearly shows what assignments you will work on each day. Commit to spending at least one to two hours a day working on your assignments.

3. **Draft and Proofread** – A large amount of marks are often lost for silly mistakes that can be easily avoided. Once you’ve written your assignments, make sure you read over them multiple times to check for any grammatical, spelling or other mistakes. Ask a friend or family member to read through your assignments too.

Check out next week’s newsletter to learn more about the Learning Enhancement Centre and how it can help you.

Netball

8B
8B Netball team had a fantastic win on Saturday. Displaying great sportsmanship and teamwork the team gelled well together from one end of the court to the other. A huge effort was made to display some of our new training skills into the game. Well done to our mid court girls for great movement of the ball. Caitlin Bertram-Knight and Nicole Spies showed great strength in defence as well. Congratulations to Maxi Roberts and Samara Donovan for scoring our highest game score. Excellent result for Open Day.

9B
What another wonderful win by the Year 9B Netballers, taking out the win by 49 goals! Our undefeated girls are only getting better and better throughout the season, demonstrating terrific teamwork and communication on the court. Having 10 players has made it a challenge to juggle fair court time, however the girls have been so beautiful in sharing their positions around to allow everyone equal opportunities, making my role as coach an absolute pleasure. Congratulations girls on a fantastic win!

10A
A 54 – 20 win over Canterbury this week and a solid game played by the girls. I do think our score should have been a lot higher, so please remember girls to keep playing to your full potential regardless of the score. We don’t want to get too relaxed because when we come up against stronger teams our bad habits will shine through. Our shooters Maddy Clark, Haylee Crotty and Sarah Nichols shoot at high percentages every week which is a credit to them. Paige Rolph also doesn’t go too bad as a shooter even though she is a mid court player. Kaitlyn Bell had her first game with us and played well also.

Open C
The Open C Netball team had another good win on the weekend over Canterbury College finishing with a 39-20. Natalie Gregory and Kristen Patch led the girls with some first class shooting getting the team out to a 10-point lead by the end of the first quarter. This win followed the outstanding 53-2 win over Redeemer the week before in which Sally O’Keefe, Ella Burr and Georgia Scells all demonstrated solid and fierce defence. The team has again progressed and developed especially after the Queensland Catholic Cup Competition this week. Whilst the girls are looking forward to having this weekend off the team is keen to get back out on the court in the next game against CHAC.

Open B
StCs Open Day saw our Open B Netball team play Canterbury College in our fabulous MMPC. Canterbury were fierce competitors and never gave our girls a lot of room to move. We ended up coming away with 39 to 16 win but the game felt a lot closer than that score line reflected. Particular mention must go to Dominque Serginson who always maintained pressure on her player, even while playing in a new position. Sharriah McCloy, Lauren Shaw and Steph Van Der Meer were also extremely tight in defense, never giving away an easy goal. We are now looking forward to the Catholic Girls Carnival on Tuesday this week, then a well-earned bye!

Open A
Unfortunately our game on the weekend against Canterbury saw to our first loss, 24 –30. Our passing was one area that wasn’t as sharp as it usually is, something we can definitely work on at training. The girls kept fighting and even though they were 11 down at third quarter time, Emily George and Brit Nolan played great defence together keeping Canterbury to only 4 goals in the last quarter. The never give up attitude is great to see from all the girls, so let’s see what the next game brings.

Boys Tennis

Last weekend in Round 4 we were at home to Canterbury in Boys tennis. There were some tough matches with the year 10 team having an outstanding win.

Our Year 8 team of Jack Kirkwood, Dylan St John, Justin Hagerty, and Jet Nguyen lost 4-2 31-19. The boys are improving each week with Jet showing some excellent confidence. MVP was Jet who played very well in his singles and doubles.

Our Year 9 team of James Singh, Chris Jones, William Wallace and Jack Woodward lost 5-1 33-22. The team tried hard with special mention to William and Jack from Year 8. MVP was William who won his singles.

Our Year 10 team of Rusty Rosenberger, Damien Thompson, Tom Kelso, Tom Dale, and Callum Lethby won 6-0 36-1. The team was too strong. MVP was Damien who was strong in his singles and doubles.

Our Seconds team of Ruwan Joseph, Josh Nicholson, Kelsey Webber, and Brandon Jones lost 6-0 37-13. The team had a tough day with some consistent tennis played by our opponents. MVP was Kelsey who was strong in both his singles and doubles.

Our Firsts team of Ryan Rosenberger, Campbell Cleeton, Justin Thompson and Brenton Ferguson lost 5-1 34-11. The team competed hard but were defeated by strong opposition. MVP was Justin with very strong play in his singles.

We have the bye this week and then play CHAC at home the following week.
Students Absent from College for Sport

Any students who are absent from college due to other commitments (unless they are with a TAS team) need to ring through the office to inform the school of their sporting absence. We are not always aware of your sons / daughters selection into representative teams, so please contact us to let us know.

Touch Football
Last week saw Sophie Lewis, Mitch De Rossi (both Yr 11) and Cory Parker (Yr 12) head to Harvey Bay to represent the Sunshine Coast Schools at the Queensland U18 Touch Football State Championships. All three played fantastic games with many commenting on the ability of all three players and in particular Cory who had an outstanding carnival which was especially great with him heading into another carnival this weekend. The three students were able to assist their teams throughout the event with the U18 Girls team featuring Sophie finishing in 3rd position and the U18 Boys team including Mitch and Cory finished up 4th. On top of these great finishes, Sophie and Mitch were both rewarded with places in the U18 Queensland Touch Football Teams that will compete at the National Championships later this year.

Rugby Union
Sam Hicks and Jordan Tupai-Ul (both Yr 12) had a great experience last weekend as members of the Combined Catholic Colleges Rugby Union Team who defeated the Combined High Schools team 31-15 in the curtain raiser at Suncorp Stadium last Saturday evening. The boys have continued the success they experienced earlier in the month where as members of the Sunshine Coast Regional Rugby Team Sam and Jordan were victorious in the final game defeating the Metropolitan West team 25-19. During the championships both boys experienced personal success being named the BLK Player of the Match. Sam was recognised for his outstanding efforts in the round 4 game against Met West and Jordan in their semi final game against the Capricornia team. The boys are currently preparing for their next challenge where they will take on the GPS Rugby Team as members of the Combined Secondary Schools team. This will be their final challenge in the lead up to the Queensland Rugby Union Volvo Schoolboy Trials at Ballymore next month.

Rugby League
Cory Parker and Darren Pereira (both Yr 12) are currently in Mackay as members of the Sunshine Coast Schools Rugby League team. The boys are contesting the U18 Queensland Rugby League State Championship with both hopeful of securing a spot in the Queensland team for the National Championships later this year.

Hockey
Jarred Ring & Toby Parker (both Yr 10) have also stepped up this week as members of the Sunshine Coast U19 Hockey team. The Queensland U19 Hockey Championships are being held in Cairns and we wish both boys the best of luck as they too compete for a win at the championships and a place in the state team.

HOST AN OVERSEAS STUDENT

JAPANESE STUDENTS WILL BE VISITING ST COLUMBAN’S COLLEGE FROM 3 AUGUST TO 17 AUGUST 2014.

This is a unique opportunity for your family to host a Japanese student. Sharing your home and lifestyle can be a very rewarding experience. It gives your family the opportunity to learn about another culture and to make an overseas friend.

Volunteer Host Families receive $35 per night to assist with hosting costs. Families are asked to share their home, provide a bed and meals and, most importantly, to accept the student as a member of their family.

On school days students will attend a daily program at St Columban’s or visit local venues of interest. The program is organized by Group Co-ordinators and is designed to improve the students’ English communication skills.

If you would like more information about being a Host Family, please call or email –

One of the strengths of St Columban’s College is the emphasis we place on planning and providing the best possible physical facilities and academic resources for all our students.

The role of providing these facilities is a partnership between the College, Government and most importantly the generosity of parents, alumni, staff and friends.

This financial support from the St Columban community ensures that the College can direct funds to vital projects that otherwise might not receive funding.

Current projects include our wonderful Mary MacKillop Performing Arts Centre.

You Can Make a Difference

As a College community we can provide present and future generations of students with the best facilities and learning environment.

All Donations to the Voluntary Building Fund are very welcome and tax deductible.
