Dear Students, Staff, Family and Friends

Congratulations to our teams who competed in the All Hallows Touch Carnival at Tennyson playing fields last Sunday – we won the 15 years Division and were placed third in the 13 years Division. This is an exceptional achievement for these girls and our coaching staff. We have a Touch Excellence program at school and this really is showing its results. Coaching Director / teacher Ms Kellie Woods is a national player of repute and is able to direct her talents in cementing the skills needed in our class time and in the training squad. Coupled with that, congratulations must go to Mr Shane Crotty in his coaching of teams last Sunday, along with Mr Mike Connolly for his leadership and management support. We honour the achievements of the girls, especially with over 40 teams and schools represented on the day. The determination of the girls to succeed shone through with their quick passes, skillful side stepping and ability to run onto the ball! Well done to both teams!

In the First place team were Jasmin Pressly, Paige Rolph, Ella Connolly, Haylee Crotty, Kathleen Nichols, Emma Lewis, Ally Nicholson, Taylor Stickler, Ella Parker and Alison Rolfe. In the rounds this team defeated Xavier College Harvey Bay, Scots College Warwick, Centenary Heights SHS Brisbane, Fairholme College Toowoomba with a 4-1 win against Woodridge SHS in the semi final and a 4-1 win against All Hallows in the Final.

This highlights our approach to sport – we have an excellence program in a range of sports – Touch Football, Rugby Union, Basketball and Netball plus a Mentor Academy Program. We also have programs in tennis, soccer, cricket, rugby league, AFL, volley ball, hockey athletics and swimming. With our premier TAS schools sporting competition on Saturdays sporting development and opportunities for participation place us at the forefront. This is a significant feature in the decisions around choosing a school for students, not to under value our very broad and enticing co curricular program across music, arts, chess, mind craft, robotics, crafts, film and interact club.

The Mentor Academy Program (MAP) involves students with a special talent and goal being supported by the Director of the Academy Ms Andrea Hickey to help with the balance of sporting or artistic/cultural commitments with their studies. Its successes have been outstanding!

Edmund Rice Foundation Dinner - A great success!
St Columban’s student leaders, Daniel Cabrera, Shaira Keys, Steph van der Meer, Brittany Cooper, Ryan Rosenberger and Ruwan Joseph, excelled last Saturday evening at this gala event at the Convention Centre at the showgrounds. Over 900 people attended and it was very successful in raising funds for Edmund Rice ministries in Africa, Timor Leste, Papua New Guinea and other places of need. Our College Leadership Team, Board Chair and P&F President, and other staff leaders who attended all were so proud of our College representation. Our 6 students had an app on their mobile phone to collect funds from tables and in total collected in the 1000’s of dollars. The event was predicted to raise $450,000 as this was last year’s target! We congratulate Mr Anthony Ryan in his organization and inspiration in facilitating the event.
Theatre Restaurant – Don’t Miss Out!
Have you booked your seat for the sensational “Red Riding Hood” and “And There Was One Too” for this Wednesday or Thursday evening? A great meal provided by our hospitality students, with lots of fun and drama from our theatre students’ production, for only $20 Adult and $10 Children – phone 54953111 now to make your booking! It will be happening at the Mary MacKillop Performance Centre at 6pm for a 6.30pm start!

Staff Professional Development
Our staff participated in a Staff Professional Development Seminar on Tuesday after school which consisted of sessions on (1) Data and How It Informs our Practice and (2) a Year 6/7s Teacher’s perspective on what to Expect and Plan for in our Year 7 program for next year. The latter was presented by Mrs Rebecca McGregor from St Peter’s Primary, and she did a superb presentation giving us a practitioner’s insight. Thank you to Rebecca and it is wonderful to have that sharing of practice in our preparation for next year.

More Achievements!
Congratulations to:
- Year 9 Debating Teams – one win and one loss last night! Congrats to Team 1 who has made it through to finals!
- Dance Troupe with 4th place in the Eisteddfod.
- Mitchel DeRossi has been selected as a member of the Queensland School Sport 18 Years and under Touch Football team to participate in the National Youth Championship at Kawana from 17—20 September.
- Interact Club and Ms Denise Newman and Ms Fran Manning in raising $1000 with the Bunnings BBQ stand over the weekend. Thank you to Bunnings also.

Coming Events:
- 4 June Regional Cross Country
- Year 10 and 11 Careers Day
- Theatre Restaurant
- 5 June TAS Cross Country
- Theatre Restaurant
- 13-20 June Year 11 & 12 Exams Block
- 14 June Trivia Night
- 16 June Pastoral Board Meeting 6.30pm
- 23 June Year 10 Retreat

We hope that our Charity Golf Day is a winner!! Thank you for your support!

Looking forward to receiving enrolment applications from those families with siblings to come next year! Would be great to mention to your friends that we have places available and would love to receive their applications – we are an inclusive school accepting enrolments from all schools!

Best wishes to Ms Sara Western and thanks for her committed work. Sara begins her maternity leave at the end of this week and we await the good news from Sara and Brenden.

Take care and blessings for the week

College Notices to Parents/Guardians

ARE YOU WORRIED ABOUT YOUR CHILD’S MOODS?!

Parents have come to accept that the teenage years are moody ones, marked with surges in hormones, and rapid changes in physiology as well as social patterns. Most if not all teens will experience some degree of ‘moodiness’, and despite the challenges that this presents for others in the household, it is generally considered a ‘normal part’ of growing up. For some, however, the level of mood disruption can be more significant. According to the Black Dog Institute (http://www.blackdoginstitute.org.au/), the onset of mental illness is typically around mid-to-late adolescence and Australian youth have the highest prevalence of mental illness of any age group. Over one in four (26%) young Australians experience a mental illness every Year. Common mental illnesses in young Australians include anxiety disorders (14%) and depressive disorders (6%), with some of these struggling teens resorting to self harm in an effort to cope.

St Columban’s College is continuing a program this term, based on Emotion Modulation Therapy (EMT). EMT is a mode of psychotherapy developed at the Griffith University. It helps individuals improve their ability to cope with problems in life and reduce the level of discomfort in approaching everyday challenges. It has been used to treat a wide range of disorders, including depression, anxiety. Dr Angelo De Gioannis is a consultant psychiatrist from Brisbane and will co-facilitate the program with Guidance Officer Dave Clarke. Dr De Gioannis reminds us that today’s ‘moody teen’ can be tomorrow’s very troubled adult and that early intervention is known to significantly improve outcomes.

If you are interested in hearing more, or to simply put forward your child’s name for consideration for the program, call Dave at the College, or email him at david.k.clarke@bne.catholic.edu.au.
Welcome to ARTSpace, our monthly feature that highlights some of the fantastic projects, events and simply great ‘moments’ that are taking place in the St Columban’s Arts Community.

During first term, the Year 8 ARTS students focused on ‘Movement’ within the Arts. Our students worked in small groups where they designed their own performance, incorporating all the skills they had learnt during the term. Miss Johnson’s students were fortunate to participate in Drama and Dance workshops run by specialist teachers. We must give a big thank you to Mrs. Stephens, Mr. Ruddy and Mr. Sweeney for their positive support and guidance.

All our rehearsals and final performances were captured by our ‘Media Crew,’ made up of Joshua Dahmer, Connor Delaney, Jadyn Hicks and Jaden Langdon. Congratulations to all the Year 8 Arts students on their final performances!

8 May, Drama students in Years 10 to 12 loaded the bus and journeyed to the Judith Wright Centre in Brisbane. Here they went backstage, learnt about the history of the theatre and were treated to a sneak preview of some upcoming performances. After a visit to the Institute of Modern Art, it was time to view the main event of the trip, It’s Dark Outside, presented by Perth Theatre Company. The performance delivered a visual explosion of puppetry, mask and animation. The students were blown away by the simplicity of the story about an old man who slowly loses the things he cares about the most, his memories.

This experience will be used to inform their practical and analytical work over the coming weeks. Thank you to the students for the way they represented the Arts Department and St Columban’s College.

On Wednesday 14 May, The Year 11 and 12 Visual Arts Studies students participated in a workshop run by contemporary practicing artist Carly Kotynski. Students were able to see and interact with Kotynski’s works that are made from sponge.

Students learnt about life as a full time practising visual artist finding that artists do a lot of work outside of their own studio practice. Carly shared an insight about a typical week for her, which includes working in a gallery, meeting stakeholders to discuss commissions, judging and participating in art prizes, running workshops as well as finding time to make her own artworks. It was an enjoyable workshop for all involved as students produced some impressive works of art and learned new techniques regarding the use of found materials in art.

On Friday evening 16 May a group of Year 12 Film, Television & New Media students were awarded second place for their documentary production entry in the 2014 QUT Film Competition.

The group, consisting of students Nic Brown, Daniel Cabrera, Katie Iliffe, Eilish Massie, Matthew Meintjes, Jordan Teichmann and Lauren Shaw, created a 4 minute documentary on the theme, Environmental Action in Our Region. They had two weeks to complete the project, and their second place is a testament to not only their film production skills, but also their ability to work as a team under pressure.

The piece is entitled, ‘Just One Little Fish’ and naturally is accessible via YouTube, http://www.youtube.com/watch?v=A3McglbCY4

UPCOMING EVENTS
Year 11 Drama Showcase Thursday 26 June 6:30pm–8pm (MMPC)

We look forward to another great month in the Arts, and further celebration of our students and their work.

The StC Arts Team
Learning Enhancement Centre

St Columban’s College provide students with the tools and skills necessary for a lifetime of learning. The Learning Enhancement Centre is available for successful learners who strive to further improve results and is also for those who are experiencing difficulty with school work, need a little extra help, or just want a private place to study. The Support Team, consisting of qualified education professionals, is motivated in helping all students to become successful learners.

The Learning Enhancement Centre provides students with the following opportunities:

- Assistance from additional teachers during classes
- Tutoring in all subjects before school and during lunch breaks
- Access to technology including laptops and internet to assist with homework and assignments
- Assistance with organisation and time management
- Education in valuable learning skills to help with studying, assignments and exams
- One-on-one tutoring with qualified teachers

Parents are also invited to actively participate in their children’s learning by working with our Support Team to ensure their children reach their learning potential. At the Learning Enhancement Centre, students will develop pride in their work and enjoy the challenge that accompanies assessment.

If you wish to know more about the Learning Enhancement Centre, please contact the school via phone or email.

St Columban’s College has been announced as a finalist in the Healthy Waterways Awards 2013 – category ‘People’s Choice Award’ which is supported by 7 News. The People’s Choice Award calls on the public to vote for their favourite finalist. Voting for the People’s Choice Award has already opened. The finalist with the most votes will be announced at the Healthy Waterways Awards Gala Dinner on Friday 20 June 2014, winning a $500 retail gift card.

St Columban’s College is a finalist in this competition due to our adoption of the Duncan Street drain. Our focus is on reducing loose litter within the college grounds so it does not end up in the drain, which feeds into Moreton Bay and our recycling efforts.

Well done to students and staff! You can contribute to the People’s Choice by casting your vote online. Not only could the college win but as a voter you are eligible to win $100 retail gift vouchers. See below for more information.

The **2014 Healthy Waterways Awards** finalists have been announced!

Support the finalist who you believe is the most outstanding by voting now in the People’s Choice Award.

All category finalists are eligible for the Award and a $500 retail gift card. The winner will be announced at the Healthy Waterways Awards Gala Dinner on **20 June 2014**. Book your tickets now!

**WIN:** Every person who votes will go in the draw to **win 1 of 5 $100 retail gift vouchers.** A winner will be announced each week until voting closes at **5pm Monday 9 June.** Follow us on facebook to keep up-to-date.

Please note - only one vote per person will be counted.

**Press Release—Drain Clean Up.**

Students at St Columban’s College, are ‘Leaders in Ecological Stewardship’, fund raising to purchase protective gloves to use on lunch time clean ups. St Columban’s College has been announced as a finalist in the Healthy Waterways Awards 2014 People’s Choice Award category in recognition of the College’s progress with its School Waste Minimisation Program being supported by Moreton Bay Regional Council’s ResourcEd Program. [http://healthywaterwaysawards.org/award/peoples-choice-award/](http://healthywaterwaysawards.org/award/peoples-choice-award/)

The St Columban’s College Environment committee has pledged to support the 2014 Green Lane Clean Up initiative [http://www.greenlanediary.org/about.aspx](http://www.greenlanediary.org/about.aspx) by adopting the Duncan Street drain which runs alongside the western side of the College grounds beyond the trees which border the sports ovals. Students have committed themselves to conducting four clean ups during 2014. One of these was undertaken in February for ‘Clean Up Schools Day 2014’. The second for term two will be conducted on Friday 30 May 2014.

As a community, students are concerned about the amount of paper and plastic waste that is sometimes carried through either wind or storm water runoff from the College, across the oval through the trees and into the drain. This drain feeds into Moreton Bay and we have learned that hundreds of marine turtles die in Moreton Bay every year, with 40 per cent being strangled, drowned or starved to death after ingesting or being caught up in rubbish and household debris. [http://wildmob.org/project-name/moreton-bay-marine-wildlife-conservation-project](http://wildmob.org/project-name/moreton-bay-marine-wildlife-conservation-project). The bigger picture is that this garbage then feeds into ‘The Great Pacific Garbage Patch’, which is of ‘International’ concern. The University of NSW modeling found at [http://www.adrift.org.au](http://www.adrift.org.au) suggest that over the course of ten years plastic can drift from the east coast of Australia to just about the other side of the Pacific Ocean.

Chess Club

Throughout Term 2 Chess Club has been held in Webb 21 each Thursday lunchtime. Attendance each week has averaged around twelve students which has made for good level of interaction.

Christopher Lenhart’s commitment to the Chess Club was very evident to all who visited the Chess Club’s display in the Library at the College Open Day. Throughout the morning Christopher played chess with many of the younger visitors, adding to their positive experiences of St Columban’s. Well done Christopher!

On Wednesday 21 May thirteen members of chess club participated in the second round of the Queensland Interschool Team Chess Championships held at the Anglican Church Grammar School in East Brisbane.

Representing the College were Clarissa Cooper, Samuel Hawthorne, Alec Kerr, Bryce Walker, Luke Mortimore, Ben Morell, Erli Tisdall, Emma Harrison-Bloye. Christopher Lenhart, Damien Thompson, Damien Cox, Thomas Trost, and Callum Lethby.

Each student played seven games. The best performers were Alec Kerr and Ben Morell each with four wins followed by Damien Cox and Clarissa Cooper each with three wins and a draw.

The final round of the Queensland Interschool Team Chess Championships will be held in Term 3 at the Anglican Church Grammar School on Tuesday 5 August. Students who are regular attendees to the Thursday lunchtime chess club meetings will be eligible to attend.

Theatre Restaurant

This year the College’s production will be a theatre restaurant featuring not one but TWO hilarious, fun filled plays!

Everyone likes a fractured fairy tale, except the wolf apparently, in ‘RED RIDING HOOD’. Perhaps another dog will do! Agatha Christie’s stories always work – or do they?

In ‘AND THEN THERE WAS ONE, TOO…’ havoc enters the mysterious house where a group of guests…You know the rest.

This and a great meal, too!

Menu:
- Bread starters
- Main meal; alternate drop
- Dessert
- Drinks will be available at the Bar
- The Coffee Shop will also be operational

Tickets:
At the time you buy your ticket you will be asked to choose a table to be seated in the Theatre Restaurant. The tables seat six. Please indicate on this seating plan if you have any dietary requirements. Adult tickets $20 Child Ticket: $10. Tickets are available at the Finance Office.

Date: 4 and 5 June. Doors open at 6:00 pm for a 6:30 pm start.
Location: St Columban’s College, Mary MacKillop Performance Centre

HOST AN OVERSEAS STUDENT

JAPANESE STUDENTS WILL BE VISITING ST COLUMBAN’S COLLEGE FROM 3 AUGUST TO 17 AUGUST 2014.

This is a unique opportunity for your family to host a Japanese student. Sharing your home and lifestyle can be a very rewarding experience. It gives your family the opportunity to learn about another culture and to make an overseas friend.

Volunteer Host Families receive $35 per night to assist with hosting costs. Families are asked to share their home, provide a bed and meals and, most importantly, to accept the student as a member of their family.

On school days students will attend a daily program at St Columban’s or visit local venues of interest. The program is organized by Group Co-ordinators and is designed to improve the students’ English communication skills.

If you would like more information about being a Host Family, please call or email –

One of the strengths of St Columban’s College is the emphasis we place on planning and providing the best possible physical facilities and academic resources for all our students.

The role of providing these facilities is a partnership between the College, Government and most importantly the generosity of parents, alumni, staff and friends.

This financial support from the St Columban community ensures that the College can direct funds to vital projects that otherwise might not receive funding.

Current projects include our wonderful Mary MacKillop Performing Arts Centre.

You Can Make a Difference

As a College community we can provide present and future generations of students with the best facilities and learning environment.

All Donations to the Voluntary Building Fund are very welcome and tax deductible.
