Dear Students, Staff, Family and Friends

“And then there was another one too” – what another big week with two evenings of the show! The comedy murder mystery at our Theatre Restaurant was thoroughly enjoyed by all as they laughed their way through the evening! “Red Riding Hood” entertained us with great amusement and we were never sure which fairy tale it was as we were told all was fairly “grim”!! The singing and musical numbers including the playing of the much appreciated (P&F purchased) grand piano was wonderful! The delightful dinner provided with such fine service by our hospitality staff and students made for a very enjoyable evening. Thank you to Coordinator Mrs Amanda Schimke. Congratulations to all involved! The hairstyles for the performances were amazing thanks to Mrs Rona Dunn and Mrs Tracie Robinson and the hairdressing students. The costumes were splendid as lead by Mrs Robyn Wilkie. Particular thanks and congratulations must go to Producer Ms Hayley Stephens and Directors Mr Nick Toy and Ms Tamara Johnstone. We also express our appreciation to Ms Kirstie Cochrane, for Props and Backstage direction, and Mr Eugene Tasker and his team for Technical / Lighting support, along with Ms Nicole Johnson, Ms Shakira Longmore, for their props assistance. Many other staff worked hard in the kitchen, on the door, in the drinks café, in the office supporting the ticketing and programming, and in the setting up by our facilities staff. It takes a lot of work and effort to have all this come together. We are so lucky to have such a supportive and generous community. We congratulate the cast and assistants to Directors - Georgia Serginson, Isobel Hazel-Stead and Betany Malo.

Charity Golf Day – All on Par!
Thank you to our organizing committee and to our God for such great weather! A fun day last Friday was enjoyed by all yielding superb results with playing and fund raising. We are pleased to say that we made a profit of over $13000 for our outreach and immersions programs – our best ever Golf Day! 25 teams battled it out with Caboolture Sports Club taking out first place, followed by our student team – Marty Jonkers Toyota. Our first ever staff female team took out best dressed and did well with the sticks – at least not broken like another team I saw!!

Our gratitude must go to our sponsors, particularly our major sponsor, SRJ Accounting, and other sponsors Amalgamated Pest Control, Effective Airconditioning Services, Morayfield Smash Repairs, Loveday Electrical Pty Ltd, Martin Jonkers Toyota, Struddys Sport Morayfield and Pacific Harbour Golf Club.
Thank you to Mr Les Conroy as MC, our P&F members who came and ran the BBQ, and to our hard working committee/support group – Louise Seaton, Raechel Fletcher, Lauren Dunn, Linda Upton, Pat Greene, Krissie Parker, Michelle Wust, Brad Anderson, Martin Jonker, Toni Prickett and Cathy Galvin.

Enrolments – have you placed your applications for your up and coming siblings coming to the College next year??

We have been working hard to promote Year 6s and 7s coming next year! We were at St Michael’s Fair last Saturday with our information booth, Kilcoy during the week, and the Caboolture show this weekend – we do have places available and invite applications! We would appreciate the applications now, if not already done so to help us with our planning. We take in students from many schools in the region – about 33 last year and look forward to that diversity. I am conducting tours on a Thursday morning or can arrange at another suitable time.

Students Achievements – Congratulations!!

- Brittany Cooper and Kyle Lacey-Janetzki for their acceptance in the Conservatorium State Honours Ensemble Program.
- Lucky Patterson will swim at the Australia Grand Prix events on Tuesday. This is the first of two for final selection on the team for the Commonwealth Games in Glasgow next month!
- Toby Parker for his Hockey State selection.
- Year 12 Debating Teams with both making QDU Finals – excellent work!
- Rugby League teams who played “9 a side” competition on Thursday.

ARE YOU WORRIED ABOUT YOUR CHILD’S MOODS?!
Parents have come to accept that the teenage years are moody ones, marked with surges in hormones, and rapid changes in physiology as well as social patterns. Most if not all teens will experience some degree of ‘moodiness’, and despite the challenges that this presents for others in the household, it is generally considered a ‘normal part’ of growing up. For some, however, the level of mood disruption can be more significant. According to the Black Dog Institute (http://www.blackdoginstitute.org.au/), the onset of mental illness is typically around mid-to-late adolescence and Australian youth have the highest prevalence of mental illness of any age group. Over one in four (26%) young Australians experience a mental illness every year. Common mental illnesses in young Australians include anxiety disorders (14%) and depressive disorders (6%), with some of these struggling teens resorting to self harm in an effort to cope.

St Columban’s College is continuing a program this term, based on Emotion Modulation Therapy (EMT). EMT is a mode of psychotherapy developed at the Griffith University. It helps individuals improve their ability to cope with problems in life and reduce the level of discomfort in approaching everyday challenges. It has been used to treat a wide range of disorders, including depression, anxiety. Dr Angelo De Gioannis is a consultant psychiatrist from Brisbane and will co-facilitate the program with Guidance Officer Dave Clarke. Dr De Gioannis reminds us that today’s ‘moody teen’ can be tomorrow’s very troubled adult and that early intervention is known to significantly improve outcomes.

If you are interested in hearing more, or to simply put forward your child’s name for consideration for the program, call Dave at the College, or email him at david.k.clarke@bne.catholic.edu.au.
StC Charity Golf Day

Overcast skies and a few showers early morning could not keep away our 24 enthusiastic golf teams for last Friday’s annual StC Charity Golf Day held at Pacific Harbour Golf and Country Club. After registration and a hearty brunch of bacon and egg burgers, the clouds parted for a fantastic day of frivolity and fun.

Thank you to all our participants, donors and sponsors. Your generosity partaking in the day, raffles, auctions, meat-trays and games raised well over $13,000 for our College Mission and Outreach Program.

A huge thank you to this year’s major sponsors:

Platinum: SRJ Accountants & Business Advisors

Bronze: Amalgamated Pest Control, Effective Airconditioning Services, Morayfield Smash Repairs, Loveday Electrical Pty Ltd, Martin Jonkers Toyota, Struddys Sport Morayfield

Final results are as follows:

1st Caboolture Sports Club
2nd Martin Jonker Toyota (StC Students)
Bradman’s Award Inaugural St Columban’s Ladies Team
Longest Drive David Easton
Nearest to Pin David Nisbet

Hole-in-One…. Unfortunately no winner this year so the prize was raffled at presentation.

Thank you to our teams for their great sportsmanship and support:

SRJ Accounting, ZooSport, Bribie Island Coaches, DKM Plumbing, Amalgamated Pest Control, Effective Airconditioning Services, Eales Concrete Constructions, Redbacks Engineering, St Peter’s P&F, Opus Architects, Morayfield Smash Repairs, Loveday Electrical Pty Ltd, SWEETT Group, Caboolture Sports Club, Struddys Sport Morayfield, Martin Jonkers Toyota, Caboolture Screen Printing & Beaumont Tiles Caboolture, Bulk Granite Haulage, Unity Water (two teams), Richardson & Wrench, Freestyle Pools, Mancorp Quality Homes and the St Columban’s College – Inaugural Ladies Team.

Events cannot be a success without the concerted efforts and support of volunteers. I sincerely thank those staff, parents and friends of St Columban’s who offered their services both in the organising of the event and seeing the day run smoothly:

Linda Upton, Pat Greene, Lauren Dunn, Raechel Fletcher, Krissy Parker, Cathy Galvin, Michelle Wust, Linda Cabrera, Les Conroy, Ann Rebgetz, Toni Prickett, Brad Andersen and his wonderful team of Tourism Students, Martin Jonkers, Jenny Butler, Rob Justice, Mark Ford, Penny Daines, Robyn Lachmund, Steve Baker, Pru Aranovitch and the staff from Pacific Harbour Golf and Country Club.

Well done and thank you all!!

RUGBY UNION

Pair seek state call-up

Sam Hicks and Jordan Tupai-Ul hope the combined experience of Sunshine Coast representative and Combined Catholic Colleges rugby will help send them in the lead-up to the official trials in mid-June.

Both players shone in a Sunshine Coast representative team recently, winning man-of-the-match awards during the carnival.

Jordan, who does the heavy lifting in the front row, said he was looking forward to showing selectors he had what it took to go to the next level.

“I put a lot of energy into the scrums. The scrum is the main part of the game for getting over the advantage line,” he said.

“As long as I can do my part, hopefully the selectors see what I can do.”

Sam has shown his versatility in multiple backline positions and has the added skill of goal kicking.

The 18-year-old, who plays Premier Colts with Brojars, said playing and training with the right attitude was the key to success.

Parenting Tips Part 1: Improving Your Child’s Learning

Over the next two weeks, the focus will be placed on parents. Many parents aren’t aware that they can do a lot to assist with their children’s education. Here are a few tips that you as a parent can use to help.

1. **Organise Your Child’s Learning Space** – Many students are happy sitting on their bed with a laptop. However, this is not always the best space for them to be learning in. You should set up a dedicated learning space for your child, away from day-to-day distractions. You may also need to ensure this learning space remains tidy and organised.

2. **Develop a Rapport with their Teachers** – Many students often see school and home as two different parts of their lives. It’s your job as a parent to help break down these walls by spending more time on the school side. Attend parent-teacher interviews and develop a working relationship with your child’s teachers where you actively participate in your child’s education.

3. **Limit Part-time Work** – Limit your child’s part-time work hours to ten a week. Their school grades will suffer if they work more often.

Parenting Tips Part 2: Helping Your Child Succeed

As parents we all want our children to do well in school. Here are some ways in which you as a parent can help your child achieve success.

1. **Be Available and Interested** – You need to make sure you set aside time each day to spend with your children. This time can be spent doing activities or just sitting down and communicating. Show an interest in what they’re doing at school by listening and asking questions.

2. **Build Their Self-esteem** – When your child performs well, build up their confidence with positive remarks. Don’t just say “good job”; ask them how they were so successful, or if they could share their methods with you.

3. **Learn With Your Children** – Over half of a child’s life is spent at home, so they should be learning at home as well as school. Make sure your child is getting the most out of their homework. Give them help when they ask for it and allow them to take control when they’re ready. Implement learning into fun activities like a trip to an aquarium or board game nights.

Read next week’s newsletter to find out more about the Learning Enhancement Centre and what we can provide for your child.

**Netball**

**8A**
We had the bare 7 on Saturday and came away with a great win. We still need to concentrate on spreading out and holding our drives and making the cut in front. The girls shot well and defended well getting quite a few intercepts in the mid court. Very happy with their efforts and I hope they continue to listen and learn. They looked very pretty for their team photo also! Landora Fili is not well so we wish her a speedy recovery and hopefully will have her back on the court very soon. We have a hard game this week against the top team JPC and it will be even tougher with a couple of a girls out in Townsville playing in a rep carnival. Lets hope JPC does also! See you all fired up on Saturday morning girls.

**8B**
8B Netball team are certainly becoming a stronger team every week. Our defensive effort was excellent with all team players contributing to hands over defense all the way down the court. Unfortunately we lost the game 23:13 but our teamwork is building every week and our core skills are definitely improving. Well done to our attack combination of Maxi and Samara to moving the ball into the goal circle.

**9B**
Wow! What a win! With a tough battle the whole match, our Year 9B girls took out the win, 26 -25. They went into this game knowing it would be a hard one, with CHAC being undefeated so far. I could not have been more proud of my girls. They showed true sportsmanship with some players having to play all four quarters and others taking the bench for half the match, due to matching particular girls to particular positions that needed height. This definitely was a team effort! It was due to the girl’s positive attitudes and strong passion and determination to win that got them over the line in the end. Congratulations girls on a fantastic win!

**Open C**
The Open C Netball team had another solid performance last week against the team from CHAC winning 42-7. Being down two players leaving them with no reserves, the girls knew they needed to test their fitness and versatility on the court and went into the game prepared to dig deep and support each other as much as possible. The fitness and determination of all players was tested and they all stood true supporting each other. Finishing the first quarter 11-1 gave them great confidence heading into the rest of the game. Outstanding form came from Natalie Gregory who slid seamlessly from goal attack to goal defence and back again as well as Sally O’Keefe and Georgia Scells who both proved they are a strong combination in defence.

**Open B**
Saturday saw the Open B side take on Cannon Hill. We went into the game knowing that it will be a tough one as we were sitting on equal points on the table. The girls started well and had a narrow lead at half time. Annie Archer Scott, Dom Serginson and Tessa Harrison worked well to move the ball through the centre court. In the second half, a few unforced errors saw the ball turned over too many times and Cannon Hill started to get on top of the game. The girls fought hard but ended up going down 32 to 24. We know what we need to work on before facing JPC this Saturday at home.

**Boys Tennis**

Last weekend in **Round 6** we were at home to CHAC in Boys tennis. We were winners 3-2 overall with the 1sts, 2nds and Year 10 teams having good wins.

Our **Year 8** team of Jack Kirkwood, Dylan St John, Justin Hagerty, and Jet Nguyen **lost 4-2 29-25**. The boys had some close matches and the chance of winning was there to the last set but came up just short. MVP was Jack who played very well in his singles and doubles.

Our **Year 9** team of James Singh, Chris Jones, William Wallace, and Patrick Hemmingway **lost 6-0 36-4**. The team tried hard but were out-gunned with special mention to William and Patrick from year 8. MVP was Patrick who competed well in his singles.

Our **Year 10** team of Rusty Rosenberger, Damien Thompson, Tom Dale, and Callum Lethby **won 4-2 30-22**. The team was too strong and consistent and always looked in control. MVP was Callum who was in control from the start and had a good victory. MVP was Callum with very strong play in his singles and doubles.

Our **Seconds** team of Ruwan Joseph, Josh Nicholson, Kelsey Webber, and Brandon Jones **won 6-0 36-14**. The team had a strong performance bouncing back with some energetic play. MVP was Brandon who was very positive in both his singles and doubles.

Our **Firsts** team of Ryan Rosenberger, Campbell Cleaton, Justin Thompson, and Brenton Ferguson **won 5-1 32-12**. The team was in control from the start and had a good victory. MVP was Campbell with very strong play in his singles and doubles.

We play JPC at home this week.

HOST AN OVERSEAS STUDENT

JAPANESE STUDENTS WILL BE VISITING ST COLUMBAN’S COLLEGE FROM 3 AUGUST TO 17 AUGUST 2014.

This is a unique opportunity for your family to host a Japanese student. Sharing your home and lifestyle can be a very rewarding experience. It gives your family the opportunity to learn about another culture and to make an overseas friend.

Volunteer Host Families receive $35 per night to assist with hosting costs. Families are asked to share their home, provide a bed and meals and, most importantly, to accept the student as a member of their family.

On school days students will attend a daily program at St Columban’s or visit local venues of interest. The program is organized by Group Co-ordinators and is designed to improve the students’ English communication skills.

MOBILE PHONE RECYCLING PROGRAM

Australian Mobile Recycling was founded in September 2011. Their aim is to collect as many used and unwanted mobile phones as possible. All mobile phones will be recycled for reuse, which means they will be refurbished for resale. Handsets are restored to factory conditions and all Sim card and memory cards are destroyed.

Any phones that are beyond repair will be broken down into their constituent parts and recycled by Australian licensed recyclers.

For our recycling efforts our school will receive $3 for every mobile phone returned. Your contribution will not only raise money for our school community but also help the environment in a positive way by reducing waste. BRING IN YOUR OLD MOBILE PHONES and place in the box at the school office student counter.

One of the strengths of St Columban’s College is the emphasis we place on planning and providing the best possible physical facilities and academic resources for all our students. The role of providing these facilities is a partnership between the College, Government and most importantly the generosity of parents, alumni, staff and friends. This financial support from the St Columban community ensures that the College can direct funds to vital projects that otherwise might not receive funding. Current projects include our wonderful Mary MacKillop Performing Arts Centre.

You Can Make a Difference

As a College community we can provide present and future generations of students with the best facilities and learning environment.

All Donations to the Voluntary Building Fund are very welcome and tax deductible.

To make a donation or for further information, contact Louise Seaton (Business Manager) on 5495 3111 or email lmseaton@stc.qld.edu.au
