Dear Students, Staff, Family and Friends

Congratulations to Christine Jones, Brendan Walsh, and Shaun Morris on their leadership of the Environmental Committee – we won the People’s Choice Award for our Water Warrior Finalist Project of “Creation We Care- Moreton Bay and the Great Pacific Rubbish Dump” where our group cleaned out the waterway alongside the College and have embarked on a green approach around the College. Thank you for voting for us as there were over 30 Finalists in the Healthy Waterways Awards. The ceremony was a gala dinner in Brisbane recognizing the wonderful initiatives being carried out to have healthy waterways. We have also learnt about the power of the vote – you can have an impact!

Lucky Patterson Achieves again!

We were thrilled to have cricket legend Ian Healy visit and acknowledge Lucky ‘s achievement as one of our State’s Greats! Congratulations to Lucky (Lakeisha) who was recently successful in securing a Future States Great Grant of $1000 to assist with the financial costs of her swimming aspirations.

Another Premiership for our Rugby Firsts and for the Best Rugby School!

Our boys played their hearts out on Saturday at Canterbury College to take out the TAS Premiership against Ormiston College – 3 years running! A great game which was very close until the final quarter where St Columban’s took it away …….! Congratulations to all in the team, Coach Darren Crilly, and to Jordan Tupai-Ui who was also named in The Queensland—2 Schoolboys Team over the weekend. Well done also to Sam Hicks who was selected for the Combined Queensland Secondary School Team.
We commend the Year 9 B Netball Team and Coach Nicole Johnson for their Premiership win.

Congratulations must also go to Ella Connolly and Kathleen Nichols for their selection in the Queensland Schools 15 years Touch Football team over the weekend.

Student of the Month—CONGRATULATIONS!

**Senior Phase**

**Academic:** Georgia Gwyn is an exceptionally hardworking and diligent student. Her recent journal work in Home Economics was of a very high standard and showed creativity, flair and attention to detail. Similarly, her recent Biology assignment – her Extended Experimental Investigation shows insight far above the standard expected at high school level. She deserves recognition for the huge effort she puts into her class and assignment tasks.

**Sporting:** Tahlia Rolph receives this award for her commitment to the College’s Touch Football program. Tahlia has maintained high spirits even though she is unable to compete this year due to a knee reconstruction. She continues to be involved by assisting Ms Woods in coaching the girls Touch Football teams that have competed in the All Hallows and Sunny Coast All Schools competitions and in the upcoming TAS and QLD All Schools competitions. We recognise the enthusiasm and dedication that Tahlia has shown to the Touch football program at StC.

**Cultural:** Isobel Stead, Georgia Serginson, Georgia Kalman

*Isobel Stead* has been a great advocate for Theatre Sports directing and leading younger groups in lunchtime rehearsals. She always volunteers to help in anyway including, turning up to rehearsals during exam block in term one. Isobel took up the St Columban’s banner for inter-school Theatre sports in term two and confidently led the team to place well in the competition. She is a positive role model and a brave improviser.

*Georgia Serginson* is a talented Year 12 student who undertook the demanding and hectic task of Assistant Director for the Little Red Riding Hood College Production for this years Theatre Restaurant. She was required to work alongside the Director and assisted in the blocking and devising of the play. Georgia showed impressive leadership and organisational qualities throughout the rehearsal process and should be commended on this as well as her commitment and punctuality to rehearsals. On the two evenings of the production she managed well and assisted in the actor’s make-up for the nights and ensured all actors were prepped and ready to go on stage. Georgia was an impressive asset to this production and should be very proud of herself, as we all are.

*Georgia Kalman* was the backstage Assistant Stage-Manager for the College Production. Georgia did an outstanding job of helping out in a role that is both behind the scenes and carries great responsibility. Her reliable and mature attitude was most welcome. Georgia cleaned the whole of the Drama Costume room after the production.

**Spirit:** Nikki Conroy has embraced all aspects of College life at St Columban's. She has participated in many co-curricular activities, including TAS sport. She has been involved in the school play as well as trivia nights. Nikki is a friendly student who is always helpful and goes above and beyond what is required. She consistently achieves ‘A’ in her academic achievement as well as effort.

**VET:** Rebecca Owen & Rebecca Fraser (Yr12)

Rebecca Owen has shown enthusiasm and dedication to her vocational studies, which include a School Based Traineeship with Able Care, as well as training in a community pharmacy qualification with her part-time employer. She is to be commended for her organisation and time management in her VET programs and her strategic focus on future career pathways.

Rebecca Fraser - Rebecca has shown significant dedication and commitment to her vocational studies. She has a passion and flair for Tourism and Hospitality. Rebecca is not only completing Cert II in Tourism and Hospitality at school but is also enrolled in advanced level studies in Tourism and Events with Flight Centre. She had an outstanding report from her Tourism work placement employer and is to be congratulated for her focus and diligence in her VET studies.
Middle Phase

**Academic:**  Rebecca Him & Tiaani Blunt
Rebecca and Tiaani receive this award for their hard work in Mathematics. They have both worked really hard this term to increase their level of achievement by attending regular lunchtime tutoring sessions. They are wonderful role models for their classmates and their results prove how hard work pays off.

**Sporting:**  Olivia Bolland
Olivia joined the Year 8A netball team part way through the season to replace an injured player. She really stepped up to the mark attending every training session and played to her utmost each week to become a valuable member of the team. We hope to see this dedication to StC Sport continue.

**Cultural:**  Brook Evans
Brooke is to be congratulated for her ongoing commitment and positive attitude to the College Production. Brooke was efficient in learning her lines and attending all rehearsals. She undertook every task she was asked of with a positive attitude and a smile. Brooke was a wonderful influence on others and is to be commended on this admirable effort.

**Spirit:**  Joshua Halpin
Josh was the first student to volunteer to help out at a recent Interact Club Barbeque held at Bunnings. He put his name down for a four-hour shift, but he enjoyed it so much and participated so well, he ended up staying all day (6 hours). Josh has only just joined the Interact Club and is already showing himself to be an active member. He is to be commended for his commitment and enthusiasm for service above self.

**Coming Events:**
- 29 June—5 July  Confraternity and QISSN Competitions, College Tours
- 14 July  Term 3 commences
- 19 July  Year 12 Formal
- 22 July  StC Careers Expo
- 22-25 July  Year 10 SET Planning

**Other Highlights**
We thank all of those involved in our quality Retreats this week for our Year 10s, Year 9s, the Year 9 Exploration trip to Brisbane, Work placements hosts and industry partners, Short Course RSA coordinators, RACQ guest speakers, Refugee Film night, brilliant Year 11 Drama evening with Ian Sweeney, and our Term TAS Awards! It was great to have Jack Payne our past student who is now in Australian U 20's Rugby Team visit and present to our students. Thank you to staff Jacob May and Shaun Morris for their talk on competing in the recent Cairns Triathlon. As you can see our College is an incredibly busy place, but a very vibrant one to open the hearts and dreams of our students. The myriad of opportunities beckons all.

**Farewells**
We say goodbye to Mr Les Conroy, Assistant Principal Middle Phase, this week as he takes up his new position at St Francis College Crestmeade as Head of Secondary Campus. We thank Les for his enormous contribution to St Columban’s, his caring leadership, and his stamp on the College over a period of 9 years. We wish him the best in his new position.

We will welcome Mr Darren Crilley into the APA position next term.

I have signed all of our students’ reports and am so impressed with the standard of the reports – congratulations to all for the wonderful outcomes!

We look forward to the good news of Ms Rachel Mancini as she takes up her maternity leave! Thank to Ms Penelope Evans (“Penne”) for her work in Learning Enhancement Centre, Ms Nikki Ford as an Intern Counsellor, and Mr Dan Out for Acting House Coordinator as Ms Kris Johnson returns next term.
Best wishes to Ms Chris Severin as she takes up Long Service Leave.

We also keep Mr Joe Torrisi in our prayers as he faces more health challenges.

Have a well deserved and safe break, especially those on our 5 trips – Melbourne History, USA Arts, NZ Ski, Confraternity Rugby League Gold Coast, and QISS Netball Gold Coast - wow what a list!

Blessings and take care

Ann

Rejoice with others when they rejoice, and be sad with those in sorrow. Give the same consideration to all others alike. As much as possible and to the utmost of your ability, be at peace with everyone. (Romans 12:15, 16a, 18)

Term Two has been an exciting and prosperous time for the students and staff of English House. They have enjoyed the thrills and challenges of a delayed Inter-house Cross Country carnival. Students displayed their passion for their House and College on Open Day and have developed initiatives that allow everyone to offer their support and assistance to the local community.

STAFF UPDATE
Mr Brad Andersen has taken on the role of House Coordinator (Middle Phase) for the remainder of the year. He replaced Mrs Sara Western, who is to be congratulated on the arrival of her beautiful young girl Layla. Mark Lucas (Eng 6) and Olivia Blackie (Eng 7), have both joined us in an exciting part of the year. They have both settled into their roles and immediately became involved in the life of the College with Mark assisting the Year 8 TAS Rugby team and Olivia becoming involved in the College’s vast music program.

HOUSE CHARITY
On the second House Assembly of the term, three volunteers and their fire truck, from the Rural Fire Brigade, joined us. With so many students living in rural areas, they rely on the dedication and hard work of this important volunteer service. In the past few years we have had over five past students join the local brigade, which is overseen by a current staff member, Mr Eugene Tasker. The House Leaders presented them with a cheque for $1500, which was raised from various activities from 2013 including the House BBQ, cake stalls and Bid for a Buddy Day.

CLOTHES DRIVE
As an Edmund Rice affiliated school we are always living in his footsteps and this term we decided to again launch the Winter Clothing Drive. A representative from the local St Vincent de Paul spoke to the students about the importance of initiatives like this and shared various stories that depicted the lives and situations of those people in the community. The students left with a first hand account of who they will be helping by donating their clothes. In 2013 we collected 7 bags of clothes but by the end of the term, there has been such a great response to the cause that we have taken over a shelf in the sports shed and the tally at the moment is 50 bags. If anyone has any unwanted clothing or blankets at home, please feel free to send them into school via the English House Coordinators.

ACTIVE LEADERS
Every Friday the English House Captains, Vice Captains and Junior Leaders, visit the various PC’s to not only collect loose change for the House charity but to also build a relationship with all the English House students. Every week they are able to deliver a message, offer support or just have a chat with a student in need. It is a support structured that will be continued over the year and the networking between PC’s will encourage interaction and a channel of communication between students, House Leaders and House Coordinators.

THE FUTURE
Term Three will see the revival of the PC breakfast were all English House students gather to share stories, buy a sausage on bread for charity and allows Two PC’s, a chance to put on a service for other members of their House. In August we will reflect on our faith, as students will partake in the House Mass under the guidance of Fr Wrex.

Some new and exciting initiatives to be explored next term include the English House lunchtime activities day, Meet the Parents afternoon and the GARMA support drive. Keep your eye out for the next edition of the ‘English Times’ for more details.

Have a safe and relaxing holiday and we will see everyone in Term 3.

Brad Andersen & Luke Hamilton—English House Coordinators
Last weekend in the finals round the teams played off at various places. We had some tough matches with the 2nds having a very strong win at home.

Our Year 8 team of Jack Kirkwood, William Wallace, Dylan St John, Justin Hagerty, and Jet Nguyen lost 4-2 36-9 and finished in 6th. The boys played some really tough matches. MVP was Jet who played hard in his singles.

Our Year 9 team finished in 8th and did not play finals.

Our Year 10 team of Filippo Massetti, Rusty Rosenberger, Damien Thompson, and Callum Lethby lost 4-2 30-20 and finished in 6th. The team again had some tough and close matches go against them. MVP was Rusty who was strong in his singles.

Our Seconds team of Ruwan Joseph, Josh Nicholson, Kelsey Webber, and Brandon Jones won 6-0 36-16 and finished in 5th. The team had a very dominant performance to finish off. MVP was Ruwan who dominated to win his singles.

Our Firsts team of Ryan Rosenberger, Campbell Cleeton, Justin Thompson, and Brenton Ferguson lost 6-0 37-14 and finished in 6th. The result was not our best but still with some good tennis played. MVP was Justin with very strong play in his singles.

Thanks to the players, parents and coaches for a great 2014 season.

StC Mentor Academy News

Touch Football
The Queensland U15 Schools Touch Football State Championships took place over the weekend with two of the College’s year 9 students, Ella Connolly and Kathleen Nichols representing the Sunshine Coast Schools Region. Both girls had a brilliant carnival that was capped off with both girls being named in the Queensland Team to compete at the National Championships on October this year.

Rugby Union
Sam Hicks and Jordan Tupai-Ui (both Y12) competed at the Queensland Rugby Union Schoolboys Team Trials last weekend at Ballymore. The boys had a tough game on the Friday against a strong GPS-2 going down 31-5 before turning up to beat the AIC-1 team 26-10 on Saturday. Both boys played very well and were rewarded for their efforts. Jordan secured himself a place on the Queensland-2 Team whilst Sam was selected in the Combined States team. Both boys will face each other in their first game of the Australian Schools Rugby Championships when the Combined States take on the Queensland-2 team on Monday 30th June in Sydney. Being selected into these teams is a huge achievement for both boys and we wish them all the best at the championships.

Swimming
Lucky Patterson (Y10) on Friday begins her final qualifying swim for the Commonwealth Games in Glasgow next month at the Swimming Australia Grand Prix meet in Brisbane this weekend. Already with a position on the Australian Para Team and travelling to California, USA in August for the Para Pan Pacific Championships Lucky is keen to put her hard work over the past few weeks to the test as she races for more gold! Dependent on her swims at this meet Lucky could be on a very quick turn around to head over to Glasgow next month. Lucky, for all of her efforts was also awarded the Future State Great Grant under the ‘Spirit of Sport’ category. Lucky was interviewed by Ian Healy, Australian Cricket Great and Chairman of the Future State Greats who also wished her all the best for the Grand Prix event.

Andrea Hickey | Mentor Academy Program Coordinator
Last week the Year 8 boys in O'Driscoll House celebrated the completion of their Rock & Water course, with an excursion to the Sunshine Coast. House coordinator Andrew Skinner and counsellor Dave Clarke had the pleasure of accompanying the lads on this activity, and the bus was kindly driven by Brendan Western.

Rock & Water is a worldwide and very popular programme that teaches some basic skills to young men, including:

* Practical Anti-Bullying strategies
* Alternatives to aggressive verbal and physical responses to fear and doubt
* Thinking and being in control, through grounding, centeredness and mental focus
* Self respect, self control and self confidence

Rock & Water bases these teachings on a boy being able to choose between a Rock (assertive and firm) behaviour and a Water (passive and conciliatory) behaviour, and how to make this choice. The O'Driscoll boys engaged enthusiastically throughout term 1, and are keen to learn more in the future.

The climb up this large rock, followed by a cooling swim at nearby Marcoola Beach, was a fitting "Rock & Water" celebration indeed, and one that the Duhig boys are now working towards for next term.

Guidance Counsellor

Once again, the Trimester 2 Awards night has seen us celebrating an extremely successful trimester of sport at St Columban’s. With 8 of the 23 teams this trimester playing in premiership games and another 6 playing for 3rd place.

Congratulations to Darren Crilly and his rugby coaches for another successful season – Rugby Premier school for the 3rd year in a row. The 1st XV team was also crowned the Premiers for the 3rd year in a row. Again it has been the dedication and efforts of the coaches and players that have resulted in this achievement. Netball finished 2nd this year, only 2 points behind JPC and overall as a College we finished 4th this trimester, due to the efforts of all of our TAS teams combined. Well done and Congratulations on your efforts.

Our Premiership winning teams were 1st XV Rugby, and Year 9B netball teams. The 2nds, Year 10 and Year 8 Rugby and Open C, Year 9A and Year 8A Netball teams all finished in 2nd place.

Again I would like to recognize the fact that this success is determined by a number of factors.
1. The commitment of our players to attend games and training and to give it their best shot.
2. The assistance of parents to score and transport our students to and from games and trainings and
3. The commitment of our coaches and especially our coordinators who give of their time, enthusiasm, knowledge and love of the game and provide out students with the opportunities they receive.
4. Finally the community spirit that is so strong within our College, with the support shown by parents, past students and current students to coach, referee, score and support the teams from the sidelines.

Thanks must also go to the P&F for their running of the BBQs and the support they provide to TAS through funds raised from these BBQs, to Mrs Nedra Rose, the coordination of the College’s first aid who ensures we have the highest level of coverage at games and to the coaches and sports coordinators for giving of their time and experience. And finally, to Mr Brad Anderson for his assistance in organizing the TAS sports and pack up and set up for the sports on Saturday.

Congratulations to all our award winners for (see table on next page), who through their sportsmanship, fair play and leadership have played an integral role in the success of their teams. All team members though need to be congratulated on their efforts and achievements and we hope to see a continuation of these high standards over the remainder of the year.

The time has finally come! This Saturday morning, at the lively time of 3am, the students and staff of the St Columban’s Arts and Cultural Tour of the USA will depart. It has been quite the journey already, two years in fact since the idea first came about, and after many, many days of counting down, the time has indeed finally come.

Thirteen students and four staff are heading off on the tour that begins on the East Coast of the United States of America, in New York City. Five days of live theatre experiences, drama workshops, audition workshops, visits to the MET, the 911 memorial, the Statue of Liberty, Central Park, backstage tours, and no doubt a little bit of shopping, will kick off the tour.

A quick flight to Las Vegas where we will indulge in more live theatre, theatre tours, enjoy the magic of the ‘Vegas Strip’, head out to the desert and perhaps enjoy some of the magical live street theatre that will bring the Strip to life on the 4 July.

What would an Arts tour be without a stop in LA? Here the students will experience some more workshops, tour Hollywood Boulevard, Rodeo Drive, the Hollywood walk of Fame, Grauman’s Chinese theatre and more!

We wrap up the tour in Anaheim, with two days in Universal Studios and Disneyland, working with the ‘Disney Team’ for a performance lab workshop.

We are all looking forward to the tour and the excitement that has been building over the last few weeks is electric. This will indeed be the trip of a lifetime, and we can’t wait to share the amazing experiences on our return.

Finally, a big thank you to all of our supporters and to our major sponsors, Brisbane’s Art Shed, suppliers of Visual Art materials, and QUT Caboolture Campus. Thank you!

Steve Ruddy
Tour Coordinator

WE WOULD LIKE TO ACKNOWLEDGE

for their generous sponsorship of our 2014 USA Arts/Cultural Tour. The students and staff involved appreciate their contribution and support.

YOUR INVITATION to join the "2014 St Columban’s College Business Directory"

We invite you to join a new initiative which will give your business great exposure to all members and friends of the St Columban’s Community - the 2014 Business Directory. This initiative is open to all local businesses and advertisers who have a great message to share with our community.

If your business is interested in advertising in this Directory please contact the College for a Booking Form. Booking deadline is Friday 25 July 2014, with the directory ready for distribution week commencing 15 September 2014.

The Directory will be A5 in size and printed in full colour glossy paper. There are three size options for your advertisement – half, full or double page ads. There are also limited Premium position ads available - please contact me ASAP if you are interested in a Premium position, as there’s only a few of them!

Business Directories will be distributed as follows:

✓ Distributed to all St Columban’s and St Peter’s Families and Staff
✓ Distributed to all Directory Advertisers
✓ Included in Enrolment Packages and College Promotional Event Packs
✓ Visible on the College Website
✓ Feature on the College APP
✓ Displayed on screens in the Mary MacKillop Performance Centre during events and home games.
✓ Exclusive advertising in the college newsletter ‘The Columban’

Year 10 Work Experience

What fabulous feedback we have had so far on our Year 10s who are representing themselves, the College and their families in the workplace. Students have travelled as far as Adelaide and Amberley and the vocations are as varied as Police Weaponry, Defence Force, Law, Retail, Construction, Fitness, Education and many, many more.

I have been asked why we expect our students to embark on mandatory Work Experience in Year 10. Working in the Career & Training Centre, I see time and time again what a good reference and prior experience in the workplace does for a young person embarking into the world of work or even applying for scholarships etc. Not only has their confidence soared by stepping outside the comfort zone of the schoolyard, but they have the opportunity to dip their toes into the industry they find interests them before choosing their senior subjects. It is inevitable that not all students are able to find placement in their industry of choice, especially as Caboolture has a limited number of industries represented, however the most important aspect is experience in the workplace.

May I take this opportunity to thank our Year 10s for their positive representation in the community and to the community for giving our students an opportunity to learn?

Linda Upton—
Career & Training Officer
