Dear Students, Staff, Family and Friends

Some of the exciting news of the past week includes the performance of our students at the Australian Junior Athletics championships held in Sydney from Thursday through to Sunday. Our results include the following highlights:

- Ben Schmidtchen won the U15 High Jump with 1.83m. Congratulations Ben. Ben also recently received the MAP Student of the Week for his commitment to and achievements in high jump.
- Ella Connolly won the U15 400m in 55.98s, Came 3rd in the 200m Final in 25.08s, narrowly missed 3rd place in the 100m race coming in 4th in 12.46s (0.03s behind 3rd) and to finish off helped the QLD U16 4x200m relay team to a 2nd place finish!
- Jasper Sawtell finished 5th in his heat of the U15 800m race in 2:10.04. Well done to those students and to all our students who set goals and work so hard to achieve those goals.

On Wednesday of this week, the TAS Swimming Championship was held at Chandler pool. For the 2nd year in a row St Columban’s College was placed 2nd! This is a wonderful achievement, more so when you consider that we only had one student gain a 1st placing!! A special mention must go to Ashlyn Evans for her great win in the 50 m Freestyle. It was teamwork that won the day. Of the 20 relay races, 8 of our teams placed in the top 3 which is amazing. The 16 year old girls relay were placed 2nd and were also only .1sec off setting a new TAS record! A big congratulations goes to the team and also to Mr Brad Anderson and Ms Margaret Galvin for their commitment to the swimming program and for the coaching and mentoring of the swimmers. There is a more full report later in this newsletter.

Our Year 11 and 12 students begin their block exams today. Bobbio Café has been full this week of seniors receiving assistance with the subjects from the teachers who help in the Curriculum Assistance Program. It is heartening to see the good take up rate of this program - it augers well for student results.

Upcoming events include the Cross Country which is next Friday 28 March. That takes place from Periods 3-5 and results contribute to the Father O’Connell Shield. All students are expected to participate on this occasion with the exception of those with medical issues.

TAS finals occur next Saturday with locations to be advised. Please check the blog for details.

Heritage Day is being run differently this year. For the past 3 years we have undertaken the Walkathon at Bribie Island culminating in a BBQ lunch and a swim. This year we are trialing a school based day of activities including the traditional Silver Slipper at the start of
the day. Activities will include old fashioned races such as the 3 legged race, as well as Trivia competitions and a staff V student cricket match. Our fundraising is also different. Each student will be asked to sell one raffle ticket which is priced at $10. We have cash prizes for the winners which can be collected through the Finance Office. First prize is $500 so good luck! The P&F and the College Board were most enthusiastic about this format when it was presented at the latest meetings.

I was recently informed of an opportunity through the Terrace Tijor Network group of a trip to East Timor 6-16 April. Places may still be available. Details are below.

We are excited to let our network know that a TTN group is travelling to Timor in the upcoming school holidays on April 6 to 16 to assist with building of some additional accommodation in Railaco Craik for visitors and the Brothers who work and live in the mountains…. this project was the focus of our successful Festa Fundraiser at Gregory Terrace College Hall last October. Several women in our group will also be working with the "card ladies", the women's craft cooperative established by TTN, which makes around 15,000 cards every year, and employs over 60 women. The women will be introducing a new range of designs to the card ladies in preparation for introduction for sale through the justice products website later in the year.

The group size is currently ten, comprised of five adults and five children, ages 12-16, and most have been to Timor before. Dan’s motel sleeps many more than 10, and our teams can use more helpers. If you have been waiting for an opportunity to get hands on, please consider joining our group. We pay our own airfares and accommodation expenses in Dili, and split the remaining costs evenly amongst the group. We will arrive in Dili on Sunday April 6 and head into the mountains on April 7, returning to Dili for a night and then back to Australia April 16 in time for Easter.

These trips are often life changing for those that participate, as being with the people of Timor is an unforgettable experience.

If you would like more information, please contact the College and I will pass on the contact information.

Best wishes.

Cathy Galvin
Acting Principal

A little bit of mercy makes the world less cold and more just.

PARENT TEACHER INTERVIEW — TUESDAY 6 MAY
A letter will be forwarded home with your student’s Term One Report with information regarding Parent Teacher Interviews, this also includes password and login details to enable booking online.

We encourage all families that are concerned about their student’s Term One results to make an appointment with the teacher concerned. Each interview will be 7 minutes in length. For longer periods of time please contact the College after 6 May and arrange an interview with the teacher concerned.

The on-line booking system will be available for you to make an interview from 9am on Monday 28 April. The portal for bookings will close on 12 noon on Monday 5 May. 

Students are to accompany the parent/s to the interview in full school uniform.

SKI NZ 2014 UPDATE
Ski trip planning is kicking into top gear at present. Before you know it, we’ll be boarding the international flight to Christchurch.

Here are a couple of friendly reminders for those going. Firstly, can you ensure you return all requested information as soon as possible via the blue box or directly to Mr Harvey. The company making most of our travel arrangements, Sno’n’ski Holidays, needs to be able to plan our trip and we need to make life easier for them by getting information in to them in a timely manner.

Secondly, our third payment needs to be in as soon as possible. I need to ensure Sno’n’ski have the money by March 28 so, in order to have time to arrange and send in a cheque, I would suggest that you have your $600 payment made to the Finance Office by Monday 24 March.

Thirdly, There has been a date change for Pre Departure Evening (Info Night!) from Wednesday 7 May to Thursday 8 May, 6pm in the College Chapel.

Please email me if you have any questions or concerns about SKI NZ 2014.
Damien Harvey
daharvey@stc.qld.edu.au

DIGITAL CITIZENSHIP RESEARCH PROJECT
Thank you to those Years 8 and 9 students and their families who have returned the Project Consent Form. The students are responding positively to the opportunity to be involved in sharing their experiences of learning about digital citizenship.

If you would like to be involved and haven’t yet returned your form – please return it TO THE BLUE BOX IN THE OFFICE or via your PC as soon as possible.

If you have lost the form or need a new one to sign please email Mrs Kingsmill at tkingsmill@stc.qld.edu.au

ST COLUMBAN’S COLLEGE APP
St Columban’s now has a College APP. DOWNLOAD IT NOW to keep abreast of all the happenings at the College.

The College APP is available FREE at iTunes and the Android Market – please download it to your iPhone, iPad, Smartphone or Tablet. Simply search ‘St Columban’s College’ to download – don’t forget to position the St Columban’s APP on your front page, so that online alerts and messages can be retrieved ASAP (simply click on the APP, tap the messages icon and refresh your screen updates!)

You will be able to:
♦ Report absentees via voice message
♦ Send an email to the College office
♦ Access College Calendar and Term Dates
♦ Receive SMS/Notifications via the Messages TAB
♦ Access SPORTS updates
♦ And much more…. 

All feedback and ideas regarding the use and ongoing development of the APP welcomed at scaboolture@bne.catholic.edu.au

PLEASE NOTE—YOU ARE ABLE TO ADVISE OF ABSENTEEES VIA THE APP

St Columban’s College provide students with the tools and skills necessary for a lifetime of learning. The Learning Enhancement Centre is available for successful learners who strive to further improve results and is also for those who are experiencing difficulty with school work, need a little extra help, or just want a private place to study. The Support Team, consisting of qualified education professionals, is motivated in helping all students to become successful learners.

The Learning Enhancement Centre provides students with the following opportunities:

- Assistance from additional teachers during classes
- Tutoring in all subjects before school and during lunch breaks
- Access to technology including laptops and internet to assist with homework and assignments
- Assistance with organisation and time management
- Education in valuable learning skills to help with studying, assignments and exams
- One-on-one tutoring with qualified teachers

Parents are also invited to actively participate in their children’s learning by working with our Support Team to ensure their children reach their learning potential. At the Learning Enhancement Centre, students will develop pride in their work and enjoy the challenge that accompanies assessment.

If you wish to know more about the Learning Enhancement Centre, please contact the school via phone or email.

**Students! Set Yourself Up for Success!**

A new school year has begun so it's time to get focused on ditching any post-holiday lethargy and actively making this your most successful year yet. The following tips will help ensure this year is a memorable one.

1. **Ready, Set, Goal!** - Get clear on what you are aiming to achieve this year and re-commit to it daily. Make it meaningful to you and you’ll find it easier to stick to.

2. **Prepare To Learn** – Commit yourself to removing distractions including television, Facebook, and other technology for at least a few hours at a time, so you can focus entirely on learning. You will improve more rapidly.

3. **Prioritise** – Each week, work out one thing you could do in each subject to improve your results. Then do it.

4. **Create Positive Relationships** – Build rapport with as many people as you can, including parents, teachers, and friends. Avoid spending time with people who actively bring you down.

5. **Develop Better Time Management** – During school you should spend more time focused on and listening to the teacher, as well as taking notes. This will save you spending hours at home trying to catch-up on topics learned in class.

6. **Play More** – Get outside and exercise whenever you feel your concentration fading. If you’re in class, just stretch or stand up for a few minutes. Getting your blood flowing is a great and easy way to ensure you stay focussed.
Environment Committee News

On Wednesday 12 March, Mandy Botterell, ResourEd Schools Program Officer for Moreton Bay Regional Council, gave a presentation to student and teacher members of the Environment Committee. Mandy’s presentation covered a number of important topics relating to the College’s Waste Minimisation Program.

The first topic Mandy addressed was the current status of the Waste Minimisation Program that was commenced in 2013. Some of the achievements made over the first year were:-

- Training of students to conduct waste audits
- Carrying out waste audits at the start of the program to identify the potential to recycle waste
- The introduction of yellow lidded bins for commingled recyclable waste and red lidded bins for general waste to allow students and staff to separate waste at source
- The reintroduction of cardboard boxes in classrooms for paper and cardboard waste collection
- The commencement of a bulk commingled recyclable waste collection service, and
- An overall increase in recyclable waste collected of 8% (from 16% to 24% of total waste) since the commencement of the waste minimisation program.

Mandy then went on to discuss the current priorities for the environment committee to focus on in regards to the waste minimisation program which include

- Ongoing education and training of students and staff on correct recycling practices
- Assessing current location of bins and signage and identifying any shortfalls
- Conducting further waste audits to determine how well waste is being separated into the appropriate yellow or red lidded bins
- Further analysis of the amount of waste being diverted away from landfill

The final segment of Mandy’s presentation involved further training on what can be recycled and what can’t. This information is important for everyone to understand and put into practice in order to maximise the diversion of recyclable waste away from landfill.

Brendan Walsh
On behalf of the Environment Committee

St Columban’s College taking on

“I have come that they may have life and have it to the full” (John 10:10)

This is the theme for Project Compassion in 2014. This is the main fundraiser for Caritas Australia for the Year and the proceeds help fund projects all around the globe.

St Columban’s is getting on board with a fundraising aim of $3000. It may sound like a lot of money however all it will take is $3 per student to reach this goal.

Each PC group has a donation box which will be collected weekly and tallied up. The PC group that raises the most money will be treated to lunch in the first week of Term 2 as a thank you for their effort.

For more information on Project Compassion please see the Caritas website (www.caritas.org.au). Many thanks for your support!

Absentee Hot Line: 5433 7366 (24 hours a day)
Last week was a big one for many students with multiple events occurring around the state and country. St Columban’s students travelled to Sydney to compete in the Australian Junior Athletics Championships, Coffs Harbour for the National Touch Football League event, Toowoomba for Rugby League, The Gold Coast for Surf Lifesaving and the Sunshine Coast for the Queensland Schools State U19 Tennis Championships.

Athletics
It was Ella Connolly and Ben Schmidtchen (both Yr 9) who proved why they are the talk of the town at the Australian Junior Athletics Championships in Sydney last week. Both students went to Sydney with the aim of achieving personal best results and hopefully a medal (or two for Ella) for their efforts. Ben who contested the U15 boys High Jump achieved both of his aims first of all clearing 1.83m to set a new personal best, one he is hoping to break again soon, and in doing so took out the Gold medal in the event. Not to be outdone Ella soon followed Ben’s form claiming Gold in the U15 400m and from lane 8 in a PB of 55.98 sec, a huge run that saw her finish almost a second ahead of the next runner from New South Wales. Ella followed her 400m run the next day placing 3rd in the 200m Final in 25.08s and narrowly missing 3rd place in the 100m by only 0.03 of a second. Ella was quick to leave her disappointment of the 100m race behind her as she helped her Queensland U16 4 x 200m Relay team to a second place finish giving Ella a full complement of medals to bring home with her.

Tennis
Bryah Guilfoyle (Yr 9) took part in the Queensland School Sport U19 Tennis State Championships on the Sunshine Coast last week. Going in as one of the youngest competitors Bryah was initially happy to be there and enjoy the court time looking at each match as a learning experience. The lesson she learnt quite quickly was not to underestimate herself as she began winning matches she didn’t expect to. Bryah continued to surprise herself through the rounds beating several players there including some of the very high calibre seeded players. At the end of the competition Bryah found herself with a top 4 finish and a place on the Queensland U19 Schools State Tennis team who will travel to Perth to contest the U19 National Tennis Championships in May.

Rugby League
Cory Parker (Yr 12) has continued to help his Sunshine Coast Falcons Rugby League team to victory last week over the Toowoomba Clydesdales. Whilst expectations amongst the team had been high things just didn’t seem to go their way up the top of the range. The Clydesdales put up a tough contest on a day where things just didn’t seem to work the same way for the Sunshine Coast boys. Able to use the combined skills of all the players, including another try from Cory, the Falcons pushed over the line winning 26 – 24. Whilst the winning result was achieved the team is hoping to improve on their game play this week when they take on the Central Crows at Beerwah Sports Grounds.

Touch Football
Mitch De Rossi, alongside Callum Lederhose (both Yr 11), enjoyed the moments of success at the National Touch Football League at Coffs Harbour last week as members of the Sunshine Coast Pineapples Men’s T-League Team. The team had a tough event and were happy to go through their pool rounds with 5 wins from their 8 games, in which both boys scored multiple touchdowns. This put the team in the playoff for 7th position, which they won over the Sydney Mets 7-5. A top 10 finish in the 18 team event was a very pleasing result for the boys with Mitch hopeful that he may have caught the eye of some of the Australian Development Squad coaches with the next 12 - 24 months in mind.

Year 8  StC v WMAC: 0-3
With only 1 game left for the TAS season, it’s a great opportunity to reflect how far the team has come in seven weeks. For most boys, the sport of volleyball at a competitive level has been a new experience and I am sure parents agree, we have seen their skills develop very rapidly over this time. Competing against teams which already have a year’s experience, the boys continue to rise to the challenge. Although unsuccessful in securing consecutive wins, the boys show great St Columban’s spirit. Well done team!
Marianne Mengel - Year 8 Volleyball Coordinator

Volleyball

Year 10 team once again were victorious scoring 6/115 to defeat WMAC 9/57. Dulana Kolammune scored 33 runs and took 4/9 while Caleb Foote scored 30 runs.

The Year 9 team continued on their winning way scoring 5/162 to defeat WMAC 7/100. Joe Small again did well with the bat scoring 72 runs.

St Columban’s hosted WMAC on a very hot day for March. In the 1st XI match, WMAC 9/137 (50) def STC 65(28). Casimero Gardner did well with the ball as did Michael Morgan. Unfortunately, our batting could not combat the accurate bowling of the opposition. Damien Thompson played well in his first grade debut.

The Year 10 team once again were victorious scoring 6/115 to defeat WMAC 9/57. Dulana Kolammune scored 33 runs and took 4/9 while Caleb Foote scored 30 runs.

The Year 9 team continued on their winning way scoring 5/162 to defeat WMAC 7/100. Joe Small again did well with the bat scoring 72 runs.

The TAS Swimming team have conquered and excelled as a team and finished an amazing 2rd overall in 2014. On Wednesday they competed in the 40th Annual TAS Swimming Championships at Chandler. This year the carnival has been restructured and there is no longer a Red and Blue Division. There was just one heat, which made the day more compact and the racing more exhilarating.

THE LEAD UP
The team has had consistent numbers at training with the coaches (Mr Andersen, Ms Galvin and Jaclyn Sampson), preparing the swimmers for their 50m sprints, focusing on starts, speed and technique. The new St Peter’s Aquatic Centre has been a great facility, allowing the coaches to have allocated lanes and more one-on-one sessions. With around 30 students at the final training session focusing on relays and change overs, it had a great atmosphere and brings the team together before the carnival.

THE LEADERS
Congratulations to Erin Allanson and Marco Roelfs who will lead the team in and outside the pool as the TAS Swimming Captains for 2014. They will join Jaclyn Sampson (Training Captain and Coach) who has guided the swimmers in the pool this year.

THE GREAT RESULT
This year saw a lot of new swimmers compete in an individual swim for the first time, with some swimmers also racing up an age group for the benefit of the team. With only one individual win on the day to Ashlyn Evans in the 50m freestyle, our results showed the depth and strength of the team, and our consistent top 5 finishes. Our girls team again showed their strength finishing 2nd overall. Ormiston College are to be congratulated on their great win. The battle for second place was between 3-4 schools for the majority of the day and we were 3rd coming into the relays. With double points on offer, we showed the team effort of this competition with 8 top three finishes out of 20 races.

Overall a great result and the strength of this team and swimming is sure to improve with this eager group of swimmers at St Columban’s. Thank you to all students, parents, staff and swimmers for your support during the season.

TAS Trimester 1 Awards Night

The trimester 1 trophy presentation’s will be held in the MMPC on Tuesday evening, 1 April. The evening will start with a BBQ at 5.30pm and awards will be presented from 6pm onwards. There will be a couple of our current MAP students as our guest speakers on the night. The evening will conclude by approximately 8.00pm.

All trimester 1 team players and Swimming Age Champions are expected to attend. It would be great to see all families support one another and stay for the entire presentation. All team captains should be organizing a small gift and card for their coach. Sports Presented – Girls Basketball and Tennis, Boys Cricket & Volleyball and Swimming.
The following are the details for TAS sport. In case of wet weather, please check the St Columban’s College APP for any sports cancellations after 6.30am. If you are unable to access the App, or as a last resort the sports coordinator can be contacted on 0407 580 891. Please no calls before 6:30am! Students must wear full school sports uniform to and from the sports venue.

**Students Absent from College for Sport**

Any students who are absent from college due to other commitments (unless they are with a TAS team) need to ring through the office to inform the school of their sporting absence. We are not always aware of your sons / daughters selection into representative teams, so please contact us to let us know.

**DATE CLAIMER - Guardian Angels School Wynnum** (est. 1914) is celebrating its Centenary Year with a Mass and Open Day on **Saturday 3 May**. We invite all past students, staff and friends of the school to come along. The day will commence with Mass at 10am celebrated by the Archbishop then displays, music, unveiling of the current students’ centenary art project, launch of our centenary cookbook and a free sausage sizzle from 11am to 2pm, with a special presentation at 12pm. Check our Facebook page at [Guardian Angels Centenary 2014](http://www.facebook.com/GuardianAngelsCentenary2014) for info and to register.

If you have any photos or other memorabilia you can share for the day please contact Kylie Vinen on 0408476026 as we would really appreciate whatever you have.
