This is a requirement under the 2018 National Code of Practice, Part B Standard 2. Minimum academic and English language requirements are as follows:

1. Applicants are assessed individually based on the contents of their report cards and personal references and may also be required to undertake a language proficiency test set by the school.
2. If supplied, St Columban’s College will assess evidence of English language proficiency presented by a student at the time of application but reserves the right to confirm the student’s English language proficiency through additional tests.
3. If not presenting appropriate evidence of English language proficiency at the time of application, St Columban’s College will assess the student’s application for entry based on satisfactory test results as follows:

Accommodation and Welfare Policy

Care for younger students under 18 years

St Columban's College is a CRICOS-registered provider which enrolls younger students under 18 years of age.

As part of its registration obligations St Columban's College must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age- and culturally-appropriate information on:

- who to contact in emergency situations, including contact number/s of a nominated staff member, and
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

St Columban's College has documented procedures relating to child welfare and safety and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Any concerns over the Accommodation and Welfare of an International Student's welfare at St Columban's College should be addressed to the Assistant Principal of Wellbeing in the first instance.

Accommodation and care options for overseas students under 18 years

St Columban's College approves the following accommodation and care options for overseas students:

1. The student will live with a parent or relative approved by the Department of Immigration.
In this case:
 - i. The School does not provide a welfare letter (CAAW) via PRISMS. The student's family provides proof of relationship to Department of Immigration for the purposes of visa application.
 - ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a Student Guardian visa (subclass 580), all obligations and conditions of this visa must be met, including:
 - not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the School has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence; and
 - advising the Department of Immigration of any change of address, passport or other changes of circumstances.

St Columban's College requires holders of Student Guardian Visas to:

- i. maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia
- ii. immediately advise the School of any change to address or contact details
- iii. immediately advise the School if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the School is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the School will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the School is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the School will advise if compulsory attendance requirements will or will not be affected by the student's absence.

Deferment, Suspension and Cancellation Policy

1. Communicating with families about changes in enrolment status

- a. All communications regarding changes to enrolment status will be made directly with students and parents, in accordance with the latest contact details provided to the school.
- b. Parents must therefore keep St Columban's College informed of their current contact details, as per the conditions of the student visa.
- c. Where relevant and where approved by the parents, the school may also share copies of correspondence with the child's education agent to help facilitate communication about any changes in enrolment status. However, the parents with whom the school has a formal written agreement are the primary contact for the school in such matters. The school will not act on any decision affecting the student's enrolment that is not made by the parents.

 - iii. Returning home to attend family gatherings that occur during term time.

Course Progress and Attendance Policy

Overseas students are required to meet and maintain satisfactory course progress and attendance requirements under visa condition 8202 and under Standard 8 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

1. Course Progress

- a) The school will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) The course progress of all students will be assessed at the end of each semester of enrolment according to St Columban's College course assessment requirements.
- c) Students who have begun part way through a study period / semester will be assessed according to St Columban's College's course assessment requirements after completing one full Semester.
- d) Students will need to demonstrate satisfactory course progress in any study period / semester. For Years 11-12 satisfactory progress means to achieve a C in at least 5 subjects and demonstrate sufficient progress towards achieving the QCE.
- e) If at the end of a study period a student does not achieve satisfactory course progress as described above, the Assistant Principal (Teaching and Learning) will formally contact the parent(s) to advise that the student is at risk of breaching the course progress requirement and that there will be a meeting with the student to develop an intervention strategy for academic improvement. This may include:
 - i. After hours tutorial support
 - ii. Subject tutorial support in class time
 - iii. Mentoring
 - iv. Additional ESL support
 - v. Change of subject selection, or reducing course load (without affecting course duration)
 - vi. Counselling – time management
 - vii. Counselling -academic skills
 - viii. Counselling - personal
 - ix. other intervention strategies as deemed necessary

- f) A copy of the student's individual strategy for academic improvement and any relevant progress reports will be forwarded to parents.
- g) The student's individual strategy for academic improvement will be monitored over the following study period by the Assistant Principal (Teaching and Learning) and records of student response to the strategy will be kept. Parents will be kept informed of the student's academic progress while the student is receiving formal intervention.
- h) If the student does not achieve satisfactory course progress by the end of the next study period, St Columban's College will advise the student in writing of its intention to report the student for breach of visa condition 8202, and that he/she has 20 working days in which to access the school's internal complaints and appeals process. Following the outcome of the internal process, if the student wishes to complain or lodge an external appeal about a decision made or action taken by St Columban's College, he/she may contact the Overseas Student Ombudsman at no cost. Please see St Columban's College's Complaints and Appeals Policy for further details.
- i) The school will notify the ESOS agency via PRISMS of the student not achieving satisfactory course progress as soon as practicable where:
 - i. the student does not access the complaints and appeals process within 20 days, or the student withdraws from the complaints and appeals process by notifying the Principal of St Columban's College in writing, or
 - ii. the complaints and appeals process results in a decision in favour of the school.

2. Completion within expected duration of study

- a) As noted in 1.a., the school will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) Part of the assessment of course progress at the end of each semester will include an assessment of whether the student's progress is such that they are expected to complete their studies within the expected duration of the course.
- c) The school will only extend the duration of the student's study where it is clear the student will not be able to complete their course by the expected date because:
 - i. the student can provide evidence of compassionate or compelling circumstances (see Definitions below)
 - ii. the student has, or is, participating in an intervention strategy as outlined in 1.e.

- iii. an approved deferment or suspension of study has been granted in accordance with St Columban's College's Deferment, Suspension and Cancellation Policy.
 - d) Where the school decides to extend the duration of the student's study, the school will report this change via PRISMS within 14 days and/or issue a new COE if required. In this case, the student will need to contact the Department of Home Affairs (Immigration) to seek advice on any potential impacts on their visa, including the need to obtain a new visa.
- 3. Monitoring Course attendance**
- a) Satisfactory course attendance is attendance of 80% of scheduled course contact hours.
 - b) Student attendance is:
 - i. checked and recorded daily;
 - ii. assessed regularly;
 - iii. recorded and calculated over each study period.
 - c) Late arrival at school will be recorded and will be included in attendance calculations.
 - d) All absences from school will be included in absentee calculations and should be accompanied by a medical certificate, an explanatory communication from the student's carer or evidence that leave has been approved by the Principal/Head of School.
 - e) Any absences longer than [5] consecutive days without approval will be investigated.
 - f) Student attendance will be monitored by the Student Admin team every 14 days over a study period to assess student attendance using the following method:
 - i. Calculating the number of hours the student would have to be absent to fall below the attendance threshold for a study period. For example, a 20 week study period with 5 days a week would equal 100 school days. 20% of this is 20 school days.
 - ii. Attendance for any period of exclusion from class will be assessed under St Columban's College's Deferment, Suspension and Cancellation Policy.
 - g) Parents of students at risk of breaching *St Columban's College's* attendance requirements will be contacted by email and students will be counselled and offered any necessary support when they have absences totalling 15% in any study period.

- h) If the calculation at 3.f. indicates that the student has passed the attendance threshold for the study period, St Columban's College will assess the student against the provisions of Item 3.i. (below). Where the student has failed to meet the minimum attendance requirement, and Item 3.i. does not apply, the school will promptly advise the student of its intention to report the student for breach of visa condition 8202, and that he/she has 20 working days in which to access the school's internal complaints and appeals process
- i) The school will notify the ESOS agency via PRISMS of the student not achieving satisfactory course attendance as soon as practicable where:
 - i. the student does not access the complaints and appeals process within 20 days
 - ii. the student withdraws from the complaints and appeals process by notifying the Principal St Columban's College in writing,
 - iii. the complaints and appeals process results in a decision in favour of the school.
- j) Students will not be reported for failing to meet the 80% attendance threshold for a study period where:
 - i. the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances e.g., medical illness supported by a medical certificate or as per Definition, below , and
 - ii. the student's attendance has not fallen below 70% for the study period.
- k) The method for calculating 70% attendance is the same as that outlined in 3.f. with the following change; number of study days x contact hours x 30%, or number of study days x number of days per week x 30%.
- l) If a student is assessed as having nearly reached the threshold of 70% attendance for a study period, Deputy Principal will assess whether a suspension of studies is in the interests of the student as per St Columban's College's Deferment, Suspension and Cancellation Policy.
- m) If the student does not obtain a suspension of studies under the St Columban's College Deferment, Suspension and Cancellation Policy, and falls below the 70% threshold for attendance for the study period, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in 3.h – 3.i.

4. Definitions

 - v. where the school was unable to offer a pre-requisite unit
 - vi. inability to begin studying on the course commencement date due to delay in receiving a student visa.

For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an impact on the student's progress through a course.

- b) **Expected duration** – the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.
- c) **School day** – any day for which the school has scheduled course contact hours.
- d) **Study period** – St Columban's College defines a "study period" for the purposes of monitoring course attendance and progress as a *semester*.
- i) *for the purpose of monitoring attendance in a Senior Secondary School course, a study period is a Unit or course of study (i.e. Unit 1 or Unit 2 in Year 11 or Units 3 and 4 in Year 12)*
- e) **Learning Outcomes** - the range of subjects and programs as outlined in Learning Options 1.2.2 of the Queensland Curriculum and Assessment Authority (QCAA) QCE and QCIA Handbook.

 - d) *St Columban's College* fails to deliver the course as outlined in the written agreement.
