Mellisha McInerney	Ava McGowan
Mia Gould	Katalia Hays
Samantha Forsyth	Matilda Doran

In 2024, STC will be celebrating achievements by naming a “Team of the Round” along with a match report outlining the reasons for winning. To “kick” off the 2024 TAS calendar, St Columban's hosted Ormiston College and credit must go to the facilities staff who, after resembling a lake on Tuesday, had all pitches in great condition!

The first ever “Team of the Round” goes to the Girls Soccer first XI as they were fantastic from start to finish. The energy smiles and positivity in the warmup set the tone, loudly cheering for our grade 7s as they finished their match. The squad - in a beautifully designed kit - were raring to go and even had Addy, Sophie and Ava playing their first ever game of soccer! This is a great example of what TAS sport is all about, making memories with your friends, being brave enough to try something new and doing your best. Important values that can be carried through your chosen path in life! The energy, enthusiasm, and constant support of teammates on the sidelines - propelled STC forward and helped guide us to victory. Final score 4-0 to St Columban's; a fantastic start to the season! Special mention must be made of Selena who scored all four goals but also made her debut for her clubs U23s side later that day. A brilliant example of a player competing for her school and club and gaining valuable experience. We are incredibly proud of Selena and congratulate her on an impressive weekend!
