The 'Team of The Week' for TAS Round 08 goes to our currently undefeated Girls Seconds Basketball Team. The girls played a great game this week. The game was intense from the start, with both teams playing point for point the entire game. Each time the girls stepped onto the court they gave their all and really showed how much they wanted to win this game. With an amazing effort from the whole team the girls really came together during the last quarter. With amazing shots from Nina Taylor and Willow Harris during the last minute of the game, to come away with a 31-27 win!
